Playing their fourth game in seven days, you CAL boys varsity soccer program hosted the Fairdale Bulldogs before getting a much-deserved break. Both teams took turns applying pressure in the opening minutes, trading counter attacks that ultimately fizzled out.

The visiting Bulldogs assumed control from the 10th minute through the remainder of the first half finding success with through balls on the flanks; however, the homestanding Centurion defense of **Cam Vogt, Jeremy Hays, JP Schroering, Broderick Patterson, and Jack Barrickman** refused to concede clean looks on goal, and goalkeeper **Caleb Rountree** calmly answered Fairdale's first half questions of him.

Christian Academy Men's Golf team won the inaugural 2A State Championship at Owensboro Country Club. The team won by 10 strokes over second place Taylor County. Team members are Seniors Mathew Troutman, Lucas Bischoff, and Cameron Farmer, Sophomore Brady Smith and 8th grader Will Judd. This was the seventh tournament CAL has won this year.

Individual 2A State champion was Matthew Troutman shooting a 3 under par score, birding two of the last three holes. Brady Smith was runner-up shooting a 2 under. CAL competed at a high level in wet and windy conditions.

"We were thankful it did not rain during the competition. But the course did have its challenges in the wind and the wet conditions. The team had a strong day and it was exciting to win the championship," said Coach Zimmerer.

Christian Academy Golf also played in the KGCA All State Championship at the Big Blue course in Lexington, KY. CAL came into the two day tournament as the favorite. But a tough first day left them in a tough spot to win. The second day saw CAL scores improve but not enough to win. CAL finished 4th for the tournament. Brady Smith finished 11th and Matthew Troutman finished 13th overall.

"The dedication of this group of players has been high and after years of work it has been great to see the results," said Coach Zimmerer.

The team will compete next Tuesday in the KHSAA Region championship at Nevel Meade Country Club. The regional winner advances the following week to Bowling Green, KY for the KHSAA State Championship.

Six minutes later, junior **Morgan Coffey** crossed it to Andres just outside the 18 who sailed it past the keeper. CAL led 2-0 and appeared to be in control. With 12 minutes to play in the half, a Providence striker broke free from CAL's reliable defensive line and narrowed the score to 2-1. Less than two minutes later, Providence again broke through and evened the score at 2-2 with ten minutes to play in the half. But, on senior night, **Lilly Andres** would not be denied, launching a cruise missile from deep, well outside the 18, notching a first half hat trick and putting the Centurions up 3-2 going into half.

In the second half, the Centurions continued to control play and the game grew more physical. Nonetheless, the ball remained on the Centurion offensive side for most of the half. With just 9 minutes to play, CAL still led by a narrow 3-2 margin, until a Providence defender grabbed a shot headed into the net with two hands. Senior **Olivia Possidento** sent the penalty kick neatly into the corner to give CAL a two-goal cushion, up 4-2. Possidento's goal would turn out to be the game winner. Several minutes later Andres took an elbow to the neck and was down on the turf deep on the offensive side. While her teammates signaled that their leader was down, play continued and Providence continued to press down the field and scored, cutting CAL's lead to 4-3 with a few minutes to play. A minute later Andres returned to play and helped the Centurions hold off a frantic Providence effort to even the score, sealing a hard fought win. Final score: CAL 4, Providence 3.

Several late first half CAL counter attacks found potential weakness in the Fairdale defensive midfield, however, CAL passes found more visiting players than home team players preventing scoring opportunities, as evidenced by CAL's zero corners and just three shots on goal in the first half.

A highly contested first half would end scoreless.

The visiting Bulldogs would get on the board first in the 45th minute. Following Fairdale's goal, CAL's offense found a spark, connected more passes, spent much of the next ten

minutes putting together attacks.

A bicycle kick by **Dylan Cornett** from **Nate Lesperance**'s corner kick in the 53rd minute was saved by the Fairdale keeper dangerously close to crossing the line. If only KHSAA had VAR...

In the 55th minute, CAL midfielder **Caden Hauser** attacked the Bulldogs' right flank to get behind the defense for a clean look and finish to the far post to bring the match level at 1 – 1.

CAL would string together a flurry of shots on goal in the 58th, 60th, 64th, 65th, and 68th minutes but were unable to find the back of the net.

Fairdale countered late with their own attack in the closing minutes; however, the CAL defensive red wall and goalkeeper **Rountree** proved up to the task.

A well-contested match ends in a 1 – 1 draw.

9/23 @ Sayre

Next up, CAL traveled east to Lexington to take on the Sayre Spartans. CAL opened the scoring with an assist from **Caden Hauser** and **Asa Loos** to **Dylan Cornett** for the score. Sayre would get on the board as well in the first half for a 1 – 1 draw at the break.

In the second half, **Nick Johns**' assist found Cornett for a 2 – 1 Centurions lead. CAL's defense and goalkeeper **Caleb Rountree** held strong to secure the 2 – 1 CAL victory.

MARCHING BAND

September 27, 2021

This year, the Marching Centurions are presenting a program entitled "A Lamp Unto My Feet," designed and directed by School of the Arts Director Matt Wooten. Its namesake derives from Psalm 119:105, where David says that God's word is "a lamp unto [his] feet and a light unto [his] path." Throughout the course of the show, the band leads audiences through movements that exhibit the alluring distortions of darkness and the victorious redemption of the light, ultimately found in the death and resurrection of Jesus Christ. With the show, members communicate the call God gives in Christ to receive the light of the Gospel and go forth into the world, radiating the same light to others.

On Saturday, September 18th, the Marching Centurions took the field under the sweltering sun to compete in their first Bands of America competition, in which they placed 3rd in class A. This past Saturday, they traveled to Ryle HS in Boone County to participate in a Kentucky Music Educator's Association competition.

In prelims, CAL competed against other AA bands and placed second in their class. Following their prelims performance, CAL appeared again in the

evening's finals just as the sun began to dip below the horizon behind them, placing sixth against bands from all classes.

7TH & 8TH GRADE FOOTBALL

September 27, 2021

The CAL 7th and 8th grade football Centurions played MCM Shelbyville on the evening of September 21, finally getting back to our home field. It was an impressive display by the offense and defense taking CAL to a perfect 5 - 0 record this season.

1st Half - The Centurions started with a flurry. Scoring on the first play on each of its first three possessions. They marched to a 26 - 0 first quarter lead. The lead surged to a 32 - 6 half time lead. The usual cast of characters continue to run for touchdowns, catch passes for touchdowns, throw passes for touchdowns and kick extra points. Jeffery Vazzana, Stone Perkins, Chapman Russell, Micah Akin and Madden Miller all had big first halves. The defense continues to play with speed, aggression and great tackling. An impressive first half of football.

2nd half - CAL controlled the ball most of third quarter and increased its lead to 39 - 6. It was good to see the coaches playing lots of players throughout the second half on both sides of the ball. The final score was CAL 39 - MCM 14.

Observations: a) the offensive weapons on this team allow for a balanced attack on the ground and / or in the air, b) the kicking game continues to be impressive; could a field goal be the difference in a future game?, c) team chemistry seems very good, a credit to the team and the coaches, and d) both teams played together after the game!

Thank you Lord Jesus for the competitive spirit of the team, thank you for their good sportsmanship and for the talent you have gifted them with. Our prayer as parents and coaches is that You keep them safe and injury free. Go CAL!
