-LAST WEEK'S SUMMARIES-

VARSIY CROSS COUNTRY

The Warriors runners competed in the oldest cross country race in the state of Kentucky on Saturday. Thousands of runners arrived to run the course of the Trinity/Valkyrie Invite on a very hot and humid day. The weather definitely slowed down the times a bit, but the Warriors competed well and improved their position among the local competition. Alex Pinckney ran in the Seeded Elite Race, which is a race that runners must qualify for by running faster than a certain time. Alex competed very well and improved upon recent positioning against competitors that he will see in the upcoming Sectional meet. In the girls Varsity race, Anna Nash and Madalynn Lutz ran side by side, locked in together and pushing each other, for the entire race. In the final 400 meters, Anna Nash pulled away slightly to earn 64th place with Madalynn finishing a strong 68th place among 148 runners.

VARSIY BOYS SOCCER

The first game of the week for the Warriors was against Silver Creek and the second against Rock Creek. Both teams were incredibly tough competition and the boys played exceptionally well in both games. Unfortunately, both games were losses for the team. 0-4 against Silver Creek and 1-2 against Rock Creek.

VARSIY GIRLS SOCCER

Last Tuesday the Lady Warriors had a hard fought game at Trinity Lutheran. After being tied at halftime some injuries occurred and the Warriors ended up losing the game 6-2. The two players that scored were Nora Stocksdale and Audrey Brieschke. Every single player out there played their heart out but one player particularly stood out and that player was Marissa Sedoris. She was everywhere on the field, fighting tooth and nail for her teammates and even though they lost on the scoreboard they had a winning effort.

VARSIY BOYS TENNIS

The Warriors had a lighter week after last week's marathon of matches. Monday, the Warriors took on New Washington for a 5-0 win over the Mustangs. The Warriors took home wins in #1 Singles, #2 Singles, and #1 Doubles. Nathan Whitten (6-4), (6-2), Ethan Sanders/Myles Morgan (6-0), (6-0) each won in straight sets. Tate Hickman in #2 Singles lost a first set (4-6) to a tricky opponent before figuring out his opponent to win straight second and third sets (6-1), (6-1).

On Tuesday, the Blue team split up and went to two different locations. Shields played against Austin for that school's very first middle school soccer game ever. Warriors won 9-1. The Silver team did a great job staying with a strong LKY team this past weekend. They had some good serving from Amelia Middleton and Reagan Smith. Natalie Hammond had a strong game all around with her hustle and work ethic!

White Team

L vs KCD (8-21, 21-16, 13-15)

The White team battled back after losing the first set to take the second set, but unfortunately lost in the third by only two points. They played so well as a team and have continued to improve so much this season. Veda Hedge, Ella Riley and Beatrice Heath had some overall great serving and hustle.

Yellow Team

L vs KCD (12-21, 12-21)

The Yellow team fought so hard as they played a tough KCD team, but came up a little short. Laura Tackett, Jasmin Alexander, Lilee Deary and Molly Staggers all did a great job in serving and helping their team score points. It was a great team effort and these ladies have improved so much during our season.
