INTRAMURALS

FOR K-3RD GRADE

Intramural Basketball at CAI

Christian Academy of Indiana is excited to introduce a new program to our athletics department. This winter we would like to offer an intramural basketball league for our elementary students. This program will allow our youngest Warriors an opportunity to play on the basketball court together as they work on learning the fundamentals of the game. There are many benefits for students who are involved in sports at a young age. It provides exercise, great social interaction, develops teamwork and personal accomplishment. Our goal is to always be Christ-honoring, while learning the sport and competing.

This league is a co-ed league and is open to K-3rd grade CAI students. We will gauge interest after sign-ups to determine divisions. In general, we would look to have the following divisions:

- K/1st Grade Boys and Girls (Co-Ed)
- 2nd/3rd Grade Boys and Girls (Co-Ed)

League Structure Information

- Each division will have a head coach and an assistant coach supplied by parent volunteers
- Fundamental Skill Evaluations will take place on **Friday, January 21**
- Team drafts with each team's coach will take place on Friday, January 21 after the Skill Evaluations
- Each team member will receive a team jersey and shorts
- Cost: \$80 (includes uniform, use of gym space, officials fees, equipment, etc.)
- Fee will be billed through your FACTS account once teams are established.

Basketball Parent Volunteer Coaches

Do you love basketball?

Do you have great organizational skills?

Do you love helping kids build character and skill?

Do you love to mentor students to have a closer relationship with the Lord?

*If you answered yes to all of the above questions then you could help coach basketball! When registering your child for intramurals...please check if you are interested in being an assistant or head coach. **We rely solely on parent volunteers to coach these teams.** Without you being involved, this will not happen!*
