TUITION/FEE POLICY

Tuition and other fees are necessary in order for Christian Academy to fulfill its mission of developing students with a heart for God. In support of this, parents are expected to commit themselves to meet financial obligations promptly in accordance with Biblical stewardship and to comply with the following policy:

The Continuous Enrollment Fee is non-refundable unless for any reason Christian Academy does not readmit the student. If parents withdraw their student’s enrollment for any reason, the Continuous Enrollment Fee is non-refundable.

The school has contracted with FACTS Tuition Management for the processing of all tuition payments. The following payment options are available through FACTS:

- Annual Payment due June 15, 2022.
- Monthly Payments (August through May). A \$50 annual processing fee per family is required for using this service and will be automatically drafted from your account by FACTS within 14 days of the agreement being posted to the FACTS system.

(If you have any questions/concerns regarding payment options, call the Business Office at 502-244-3225.)

A one-month notice must be given for any withdrawals prior to the end of the school year because the hiring of teachers and staff and the ordering of classroom materials are based upon anticipated enrollment. Notice must be provided by completing the Withdrawal Form located in your Web Forms in FACTS Family Portal.

Tuition that becomes two months past due will subject the student to being withheld from attending school.

Because tuition is calculated on an annual basis, no adjustments will be made for absences, holidays or unscheduled closures.

TUITION ASSISTANCE

Tuition assistance awards are based on the family's demonstrated need as determined by a third-party agency that makes financial needs assessments for private and Christian schools. Each award is made for one year only, based on the availability of tuition assistance funds.
