

Christian Academy of Indiana Junior Academy

The Christian Academy Story

In 1976, Christian Academy began with 120 students in two rented church facilities and has grown to serve over 3,000 students on four campuses in Louisville and Southern Indiana. Throughout this amazing growth, God has provided certain people with different gifts at different times, but always in His timing.

Developing Students with a Heart for God

The mission of the Christian Academy School System is to develop students with a heart for God who grow as Jesus did in wisdom, stature and in favor with God and men. Developing a heart for God means that Christian Academy focuses, with great intentionality, on four core pillars, Spiritual, Intellectual, Social and Physical, so that students are taught from solid, biblical principles how to integrate God's Word into critical areas of their lives.

Program Highlights

We seek to provide a loving, Christian environment with Christian teachers who celebrate the individuality of each child and recognize each as a precious gift created by God.

All programs are in preparation for Kindergarten with special emphases on phonics, math, music and handwriting, and the weekly chapel service is centered around the Bible story for that week. Minds in Motion is a motor development program that helps to develop better learning, large and small motor movement and behavior. We also offer enrichment classes in music and library.

We believe in partnering with families to help children grow in wisdom, stature and favor with God and men. (Luke 2:52)

We are currently using the following curriculum:

- Daily thematic Bible lessons
- Handwriting Without Tears
- Heggerty Phonemic Awareness (learning that words are made up of sounds)
- Number readiness activities
- Group and individual listening and learning activities

There are many opportunities for family involvement and participation with an active Parent Teacher Organization.

Program Certification

The Christian Academy of Indiana Junior Academy is accredited by the Indiana Department of Education, The Association of Christian Schools International (ACSI) and AdvancED (SAC/NCA).

All lead teachers have degrees and/or years of experience teaching preschoolers. They are First Aid and CPR certified.
