CAL Bowling Wraps Up Season at Regional Tournament

CAL Girls Bowling lost in a heartbreaker last night in Region play. With a win, CAL would have advanced to the state tournament. But the upstart Centurions would fall just short.

CAL started out quickly winning the first match decisively and bringing some fear to the Valkeries. But experience kicked in and so results shifted with SHA winning the second and third

match. CAL will fight back and would tie in the fourth match. In match five, CAL will come up short by 4 pins in the fifth match coming down to the last frame.

CAL Senior Julia Page was voted as part of the all-region second-team and will compete as part of the Region 4 team at a state competition in the coming weeks. Congratulations to CAL Girls bowling.

CAL Boys Bowling competed in region play Sunday at Ten Pin Lanes to finish their season. After the round of seeding, CAL finished with a fifth seed and first-round bye. (continued on next page)

VARSITY BOWLING

(continued from front page)

January 31, 2022

CAL would roll against 4th seed Manual in an exciting match.

Jumping out to wins on the first two competitions, CAL seemed to be in a position for a big win. CAL Started with three strikes and 5 strikes in the first 7 frames. A similar start in the second game, CAL had the hotter bowlers.

But the third and fourth games would see the Centurions cool off and lose to last year's region runners-up. CAL would rally in the fifth game seeing the ALL senior group to the verge of victory. Coming up a few pins short, CAL's season was over.

CAL had a strong season competing in their first region in several years. Unfortunately, the team has 8 Seniors and will be in a rebuilding mode next season. Congrats bowlers! You have been fun to watch.

MEET THE COACH (continued from front page)

January 31, 2022

MEET THE COACH—SHERRY ASHLEY VOLLEYBALL

Family: Husband, Philip; Daughter, Kalyn Clinton who teaches third grade at CAL; and grandmother to Audrey and a baby boy coming in February!

Church: Highview Baptist Church.

Occupation: Retired from UPS after a 33 year career in Aircraft Maintenance Quality Control

Sports Played (HS or college): I played several sports in high school, including track, softball, basketball and four years of volleyball. I learned a lot about coaching and strategy from my coach at Presentation, who trained me as a setter and a defensive specialist. I did have opportunities to play both softball and volleyball in college, but it was not financially feasible at that time.

School(s) Attended: High School, Presentation Academy; College; Associate Degree from UK through Jefferson Community College.

How long have you been involved in volleyball? I began playing volleyball in grade school and I played four years as a setter and DS in high school at Presentation Academy. I started coaching various sports shortly out of high school. My volleyball coaching experience includes middle and high school, as well as club, and I have coached for about 25 years. I previously coached at Whitefield Academy and I currently coach with Legacy Volleyball Club, where I also serve as the director of player development.

What has volleyball taught you about your relationship with Jesus? My relationship with Jesus began because of sports. In order to play softball for my future husband's church league team, I had to attend Sunday School. This was the beginning of my journey to salvation, and I am so thankful that the Lord used my love of sports to bring me to Jesus. Coaching volleyball has allowed me to serve others, to show compassion and patience, and to forgive when necessary. I am so grateful that Jesus has always extended compassion and patience and forgiveness to me when I need it.

What are your goals for this year's team? Since I am new to CAL and have yet to meet with returning players and coaches, I feel it may be premature for me to set measurable goals at this time. However, my first goal is to establish a relationship with players that inspires them to work harder than ever to reach their full potential in order to achieve both individual and team success.

What is your vision for the CAL volleyball team? My vision for CAL volleyball is a program where the players have a desire to work very hard for themselves as well as their teammates, have a highly competitive mentality and tenacity on the court, and compete in such a way that glorifies God in both victories and defeats.

What do you love most about coaching volleyball? Coaching volleyball gives me the opportunity to share my passion for the sport in a variety of ways. I have a desire to help players reach their goals as athletes, I love cultivating team bonds that extend beyond the court, and I truly enjoy game strategies and good competition. Coaching volleyball also gives me opportunities to share with those who may not otherwise hear the gospel.

LIGHTING ROUND

1. *Morning Person or Night Owl?* Definitely a night owl
2. *Book or Kindle?* Book
3. *Dine in or Delivery?* Dine in
4. *Road trip: Driver or Passenger Princess?* I like to be the driver, but I'll be the passenger princess occasionally.
5. *"Git er done" or "Just 1 more day"?* I like to "Git er done!"
