The Eighth Annual Donna L.J. Murphy Award will be presented to Jaya McClure of Christian Academy of Louisville during the Kentucky Lions Eye Foundation's 2022 Mr. and Miss Kentucky Basketball Awards Ceremony, being held in person on March 20th at the Lexington Griffin Gate Marriott Resort.

Nominations were submitted from across the state for this prestigious award which honors a standout female senior basketball player who exemplifies the meaning of being a great student athlete. "Each year I am blown away by the credentials and accomplishments of the ladies who are nominated and the decision is always very difficult. This year all of the nominees were very admirable but Jaya's essay really resonated with me and demonstrates that she is a stand out person on and off the court and she definitely deserves to be recognized," said Donna Murphy.

Jaya McClure, a senior at Christian Academy of Louisville enrolled in the school of Biomedical Science, has played varsity basketball for six years, is a part of the 2,000+ point club at CAL and holds a 3.9 GPA. Jaya's high school career to this point consists of 2,169 total points, 433 assists, 649 rebounds, 296 steals and she averages 16 points per game. Jaya is actively involved in many roles in her extracurricular activities including initiating the Student Diversity Leadership Council at CAL as a freshman and continuing to serve on the committee throughout her time at CAL. She also participated in a Global Missions Health Conference as a freshman, is an athletic intern as a senior and was selected to the Louisville Girls Leadership Program in 2019/20.

Jaya has received several awards/recognitions during her basketball career along with receiving nine D-1 collegiate offers. She is a 2022 McDonald's All-American Games Nominee, she has lead CAL to three 2A – State Championship Titles (2019, 2020, 2022), she has been named to the Kentucky 2A All-Tournament Team in 2019, 2020 and 2022 and was the Kentucky 2A MVP in 2022. She has participated in many national basketball camps and has committed to serving the youth in her community by volunteering as a middle school trainer, teaching fundamentals and skills that she has learned at these camps to middle school girls. She has committed to play for Ohio University in the 2022-2023 basketball season and has been accepted into the Russ College of Engineering & Technology.

When asked what basketball has taught her over the years and how she would apply it to her life in the future, Jaya's response was: "I love the game. I love the poetic flow, I love the feeling it brings; but most importantly, I love the way it's shaped my life. I've given my all to this game; in return, it's blessed me in so many ways. This game has transformed my perception of life in a way deeper way than words could ever explain. This game has taught me that I'm a leader, who can get anything done with the right mindset. I want to instill confidence into young kids, whether that's in basketball or life. I will be a voice for our future."
