## Race for Education

It is time for the annual PTO fundraiser, The Race for Education. The Race for Education is an annual walk-a-thon, which involves students walking or jogging around a ¼ mile area for one hour. It is only with your help that we will reach our goal this year of \$85,000. This is the only fundraiser for the CAI PTO Junior Academy through grade 12. The money we raise this year will fund the following:

- PTO annual budget for 2022-2023 events
- Cafeteria Sound System and Projector
- Security Cameras for HS/MS Hallway
- Security Window Tinting
- Educational Enrichment
- Donation to fund CAI student spiritual development and mission projects

## HS/MS News

The MS/HS will be partnering with NEXGEN and Lifespring Health Systems in Jeffersonville, which is a nonprofit that helps provide free or low cost healthcare to low-income and marginalized people. One of the most helpful things to provide for them is hygiene items, so we are going to be raising money to buy these items with a one dollar benevolence jeans day on Friday, March 11. One dollar is all that is required to wear jeans, but anything more is greatly appreciated and will make a huge impact on the ability that Lifespring has to change lives throughout Indiana.
