

CAL March Missions

March is Missions Month for CAL English Station. Missions Month is a wonderful way for students to put their faith into action and make a difference in the lives of others in need. Jesus teaches us to '**Love your neighbor as yourself**' (Mark 12:31) and this year, we will be showing love to a family in Western Kentucky.

We are partnering with **Help Build Hope** this year to raise funds to build the frame for a home. This frame will be transported to Western Kentucky for a family in need after they lost their home in the devastating tornado on December 10, 2021. We will raise the funds as a campus (Jr. Academy, Elementary, Middle and High) because we are **BETTER TOGETHER**. Our goal is to build the frame for one home, which is \$11,000.

We are asking each family to:

1. **Pray** for those affected by the tornado in Western Kentucky. We pray that they will seek Jesus, find comfort in Him and have what they need to rebuild their lives.

2. **Donate** money to help build a frame for one home – to help a family in a life-changing way! You can send in cash, checks (payable to CAL) or scan the QR code to donate online!
