- INTRAMURAL UPDATE -

This week, our youngest Warriors are competing in the Intramural Basketball Championship Tournament. Last night, two teams advanced in our K/1st grade division and compete tonight. The championship games will be held on Thursday at 6pm and 7pm. If you want to come cheer on our Warriors, admission is free and the games are exciting!

- SPRING SPORTS UPDATE -

All of the CAI spring sports are officially underway! Our fields, courts, course and track are full of Warriors and we are excited to see them compete this spring season. Stay tuned to the Warrior Update for weekly schedules to come cheer them on or subscribe to follow your favorite teams on Eventlink.com.

- NEW ADDITION TO CAI -

Christian Academy of Indiana is proud to announce that we have partnered with Nevco Sports to acquire a NEW 6'x11' LED Video Display for the High School Gymnasium! Thanks to a generous donation, we are most of the way towards putting this up in our gym, but there are a few sponsorship opportunities available! If your company or organization is interested in supporting/advertising, please call our partners at Nevco Sports Marketing 877-811-7208 x38 or email: apulskamp@nevco.com. Go Warriors!
