- 11:00am 7/8 BB @ Henryville

-LAST WEEK'S SUMMARIES-

VARSIY SOFTBALL

The Warriors opened up their season at home with a 19-3 win over Rock Creek on Tuesday. Leah Stevens got the win in the circle for Christian Academy. The righty went five innings, allowing three runs on four hits and striking out eight. Josie Leffler, Leah Stevens, Loran Palmer, Brooklyn Shields and Marissa Sedoris each collected one hit, but all rostered Warriors also reached base at least once! Defensively, the Warriors didn't commit a single error in the field. Brooklyn Shields was solid behind the plate and Lily Cook combined with Selene Morgan for an outstanding 9-3 out.

VARSIY GIRLS TENNIS

Lady Warrior Tennis continues to celebrate massive growth, chalking up over 100 net winners this week. Highlights from this week include junior Emily Lang leading the team against Shawe Memorial in Doubles Net Winners. Senior Elana Hamby led the Singles roster with a whopping 16 winners at the net followed closely by Anna Neal with 10. In the Southern Indiana Tennis Conference Tournament on Saturday, senior Quincey Irvin led the team with over a dozen saved points at the baseline in doubles. Senior Elana Hamby went undefeated in the #1 singles spot, earning herself a conference title after beating Southwestern in a tiebreaker.

7/8 BASEBALL

After the first seven games of the season being rained out, the Warriors finally played their season opener against Charlestown this past Friday. In the top of the first inning, they scored the first run of the game with Cooper Lewis getting a walk and then advancing to second. Daniel McDonald then received the first RBI of the season by hitting a solid double, easily scoring Lewis. However, as the game progressed, our Warrior defensive effort was challenged by a very strong hitting and running attack by Charlestown. Even though our team was down, they never gave up! In the top of the last inning, Aaden Brieschke took one for the team by being hit by the pitch, advancing to second and eventually scoring. Zeke Irvin then walked and with Lucas Justice hitting into a fielder's choice, Zeke was thrown out on a very close play at second. Lucas now on first, advanced to second and third on wild pitches. Sam Maynard then comes to the plate with one out and puts down a perfect bunt down the first base line, scoring Lucas. Kaleb Mitchell was the next hitter who walked and eventually scored too, capping a three run last inning rally for our Warriors. Pitching duties were shared by Daniel McDonald, Cooper Lewis, Lucas Justice, Caleb Wilson and Nate Hirschy. Providing some additional offense for the team and advancing runners into scoring position was Cameren Leonard with a solid shot into left field.

-LAST WEEK'S SUMMARIES (CONT'D)-

7/8 SOFTBALL

Gold Team

The gold team had a 12 - 3 victory over Clarksville Generals on Tuesday. The Lady Warrior bats were hot, hot, hot racking up 15 hits and 12 runs while only giving up three runs on two errors. Ella Peach, Macy Jackson, Carly Stevens, Katie Knighton, and Kylie McDonald each had two hits. Addison Jackson came up big with a two RBI double in the first inning to open an early 5-1 lead. Carly Stevens was the winning pitcher for the Warriors allowing only one hit and three runs over three innings, striking out four batters. Overall, one of the best performances by a CAI team in the coach's four years of coaching. Outstanding!

The Lady Warriors fell 8-1 when faced with a tough opponent on Friday against the Providence Pioneers who had very strong pitching. The Warriors started strong with Ella Peach on the mound striking out five and walking zero. In the top of the first with two outs, the Pioneers hit a gapper to right center that led to a triple. The relay from Kylie McDonald to Carly Stevens to Addison Jackson would end the inning as the runner was caught off the bag which was a sensational play. The Pioneer pitching and hitting would be too much for the Warriors. A Macy Jackson walk followed by a Carly Stevens ground out RBI would be the only run scored. Ella Peach and Katie Knighton had the only hits in the game, but were left stranded on base.

Blue Team

The blue team lost 15-6 against Whitfield Academy on Tuesday. The Warriors continue to improve as they learn the game of softball. The Whitfield game was very competitive. Solid pitching from Bella McMahan with three strike outs in the game. The Lady Warriors collected hits from Bella DeMoss, Bella McMahan, Makenna Noble, and Reagan Smith. All in all a very encouraging outing for the Lady Warriors.

The blue team lost 21-1 to Providence Pioneers on Friday. The strong pitching of Providence proved to be a tough match up. Bella McMahan continues to show a tough mental attitude in the circle for the Lady Warriors. The Lady Warriors continue to work hard in practice and intend to learn from the losses to improve their overall game.

MS GIRLS TENNIS

The Warriors had a solid week of tennis. They not only had stiff competition against schools, they also had to overcome very cold windy weather early in the week. They played solid tennis keeping a positive disposition and learning from loss, looking forward to next week.

vs. Southern Indiana Catholic - Providence

#1 Singles	Delaney Annis	0-8
#2 Singles	Jocelyn Olson	0-8
#3 Singles	Kate White	2-8

MS TRACK & FIELD

The middle school track team had two meets last week. The first was a five-way meet against Hazelwood, Scribner, Silver Creek, and Highland Hills. This included some of the area's top competition. For the girls, Hailey Hack won the mile and the 800m run. For the boys, Nathan Cavanaugh placed second in high jump. The next meet of the week was on Thursday at home against Paoli and Salem. For the girls, Lily Siekman won the 100m hurdles. Katie Ammons won the 100m dash, the 200m dash, and high jump. Analeigh Porter won the 1600m and the 800m run. The 4x4 team of Katie Ammons, Adeline Oakley, Lily Siekman, and Analeigh Porter also placed first. The girls also won the entire meet as a team! For the boys, Kyle Cook won discus.
