

## CAL Youth Football FUNdamentals Mini-Camp

Head Football Coach Hunter Cantwell and the youth football staff are proud and excited to host the **CAL Youth Football FUNdamentals Mini-Camp**. Our mini-camp is designed for all CAL boys currently in grades K-5. We have a fast paced, action packed schedule of agility and skill drills focused on developing our young players. We will be working on individual skills such as: Taking Handoffs, Route Running and Pass Catching, Stances and Blocking Techniques as well as many more drills to help prepare us for the upcoming football season.

Our goal is to refresh player's skills, to create an environment of fellowship among players and parents, all while providing individual football instruction and coaching. We also want to give those who may not have participated in football thus far an opportunity to see what CAL football is all about by getting on the field and trying it out. We hope this will springboard our youth teams into a fun filled and successful '22 football season.

Please contact Rebecca Mauzy if your player is interested in participating. You can register via email [rmauzy@caschools.us](mailto:rmauzy@caschools.us) or text 502-529-9741. Please provide your player's name (first/last), grade, parent(s) names, and contact number.
