VARSIY GIRLS TENNIS

CAI had the strongest opponents to date last week for Warrior Tennis.

Highlights for the Lady Warriors include a win in #1 Doubles by Mia Collins and Quincey Irvin against Sectional Frontrunner Lanesville. versus Clarksville, Elana Hamby likewise toppled a strong opponent in #1 Singles, adding some great footage to her college recruitment reel. In Doubles Exhibition, Junior Emily Lang and Freshman Brooklyn Tibbs maneuvered and tactically outmatched their opponents to a 6-1 win versus 18-1 team Southwestern on Thursday.

Peaking at the right time, the Warriors look forward to making their postseason run this Wednesday!

VARSIY SOFTBALL

The Warriors had a busy week, with three games at home. CAI first took on 2A Southwestern and fell 20-2 due to a hard hitting Rebel team and errors in the Warrior defense. However, the bright spots in the line-up for CAI came from Brooklyn Shields and Marissa Sedoris, both securing two hits for the Warriors. On Tuesday, CAI faced Borden, but with one bad inning fell to the Braves 24-8. The Warriors did put up eight runs on eight hits, with the line-up featuring two hits a piece from Leah Stevens, Grace Bell and Loran Palmer, including a double from Stevens. Then came Thursday's game against Cannelton, where the Warriors got their bats fired up and their defense squared around. Collectively, the Warriors had no errors on defense and were productive on the bases, scoring 14 runs on eight hits. The final score in the last home game of the season was a victory for CAI 14-2. Loran Palmer and Brooklyn Shields led the way offensively with two hits a piece, including a double from Palmer, and Leah Stevens remained strong on the mound, coming away with eight strikeouts.

-LAST WEEK'S SUMMARIES (CONT'D)-

7/8 BASEBALL

The Warriors had multiple games last week against Highlands Latin and Portland Christian. The HLS game was a tough home opener for our young Warriors, but they produced early offense in the bottom of the first inning! Cooper Lewis scored from second on a Quinton Burnett hard hit triple up the middle! In the bottom of the third, Cameren Leonard hit a monster solo home run shot over the left field fence, but our Warriors fell short of HLS in the end. Pitching duties were shared by starter Noah Vance with Quinton Burnett, Zeke Irvin and Cooper Lewis. Offense was provided by Grant Decker, Noah Vance, Quinton Burnett, and Cameren Leonard. Also on defense, Malachi Weilbaker made an unassisted double play by catching an infield pop-up then quickly stepping on the base before the runner could return!

The Portland Christian game was also defined by stellar defensive play by our Warriors! Sam Maynard, covering first base, jumped high and to his left to catch an errant throw and as he came down, Sam tagged the runner out by one step before he reached first base! Also, Zeke Irvin had an outstanding game behind the plate. Offensively, Nate Hirschy, Cooper Lewis, Quinton Burnett, Gavin Taylor and Sam Maynard all contributed to the team effort. However, in the bottom of the fifth inning and with two strikes, Sam hit a hard line drive to center field, then stole second, then stole third and scored on the over throw! Pitching duties were shared by Grant Decker, Noah Vance. Cooper Lewis and Nate Hirschy.

MS GIRLS TENNIS

The Warriors had some challenges against Scriber but played hard battling hot courts and strong competition. The team came back Thursday with a display of tennis excellence taking almost all game with one going into a 7-7 tie breaker. Our Friday game was cancelled but we were ready to play. Our Warriors gathered to honor our eighth grade leaders and players to recognize them and set the example for the next grades who will take their place next year.
