-LAST WEEK'S SUMMARIES-

VARSIY SOFTBALL

The Warriors had their final regular season game against Highlands Latin on Tuesday. Leah Stevens started the game off with a triple to the right-center outfield fence. She later scored on a passed ball. The Warriors held the lead through the bottom of the second, when Highlands Latin applied some offensive pressure and went up 4-1. Ultimately, the Warriors couldn't recover from the errors and left too many runners stranded on offense, causing CAI to fall to Highlands Latin 11-1. Lily Cook and Brooklyn Shields came away with two quality at-bats a piece. Next up for the Warriors is the sectional tournament where CAI will face West Washington.

VARSIY GIRLS TENNIS

Warrior Tennis ended its season in a Sectional loss against Corydon last Friday. The match started out strong with Elana Hamby and Anna Neal winning in straight sets. #1 Doubles Quincey Irvin and Mia Collins hung on to a second set, but ultimately fell to Corydon's strongest spot. Likewise, Lacey Kendall and Rebekah Wright narrowly lost in two sets after incredible five game comebacks. Grace Kreutner, coming back from an illness, fought on to a third set but was ultimately outlasted by her opponent. The Warriors celebrated a successful season of team-building and friendship as well as the moving on of an irreplaceable class of Seniors.

Though the team is done, they look forward to watching Elana Hamby continue to compete for an individual sectional title this week.

VARSIY TRACK

The track team had a great Sectional showing last week. Mya Chapman scored in all four of her events, the 100m (5th place), 200m (4th place), High Jump (7th place) and 4x400m (7th place), advancing to Regionals in the 100m and the 200m. Madelyn Lutz finished in sixth in the 1600m, and seventh in the 800m. Ashlin Owen finished eighth in the 300 Hurdles, while Ashlin, Madelyn and Mya were joined by Ana Nash in the 4x400m team. Nora Stocksdale was a finalist in the Long Jump, and Maddie Smith had a strong showing in the 800m.

On the boys side, Alex Pinckney finished in second place in the 3200m, earning an automatic advancement to Regionals. Mason Taylor has a seasons best in the 800m, while Kaleb Nicholson had a strong showing in the 110 Hurdles and 100m Dash.

Mya and Alex will be competing at Regionals this Tuesday and Thursday, with a chance to go to the State Meet on the line.
