

ATTENTION PARENT(S) AND OR GUARDIAN(S) OF 11TH GRADERS

All students entering 11<sup>th</sup> grade are required to have a Meningococcal (MCV) booster shot. This is required by the state once a student is 16.

- **UPDATED IMMUNIZATION CERTIFICATES INCLUDING THE MENINGOCOCCAL BOOSTER SHOT ARE DUE JULY 27th.**
- **FAILURE TO SUBMIT THE UPDATED IMMUNIZATION CERTIFICATE WILL PREVENT THE RELEASE OF YOUR STUDENT'S SCHEDULE/CHROMEBOOK AT THE HS BACK TO SCHOOL EVENT.**

**\*\*\* If you have already submitted an updated Immunization Certificate OR communicated a future appointment, please disregard the above information.**

\*\*\* If your student turns 16 after July 27, I have noted this on your student's file. The updated Immunization Certificate will come due 30 days after your student turns 16. If your insurance will not allow a well visit prior to July 27, please email me and include the future scheduled appointment date.

Please email all updated Immunization Certificates to [msoete@caschools.us](mailto:msoete@caschools.us) or doctor's offices can fax them to (502) 753-4547.

If you have any questions, please email me at [msoete@caschools.us](mailto:msoete@caschools.us). Thank you in advance for your attention to this important matter.
