-LAST WEEK'S SUMMARIES-

VARSITY BOYS SOCCER

The CAI boys varsity soccer team had a long weekend of games. They started the weekend with a game on Thursday against CAL. They suffered a 1-5 loss, but did not let that get them down as they went into their Friday game with high energy, ready to come back from their defeat against CAL. Friday was the first game of the Jennings County Tournament, against Morristown. The Warriors played a well fought game and came out with a 5-2 win. The tournament continued into Saturday with two more games. The first against Rock Creek was a tough game for the team. Though they gave it their all, they ended in a 3-6 defeat. The final game was against Milan. The team was able to pull out a 5-2 victory in their final game of the tournament. An exhausting weekend for the Warriors, but a good indication that the team has a good season ahead of them.
