

WHO WE ARE

The mission of Christian Academy School System is to develop students with a heart for God, who grow as Jesus did in wisdom, stature and in favor with God and men.

- We want to encourage each student to be sensitive and responsible to the needs of others. (Philippians 2:4)
- We want to help each student develop the abilities and skills to effectively communicate the Gospel of Christ. (Romans 1:16)
- We want to help each student develop a knowledge of and spiritual concern for other people and cultures, and assume the responsibility each Christian has in the area of world missions. (Matthew 28:10-20)

CAL MISSIONS

Local, Regional, and
International Missions
2022-2023

HOW WILL YOU SERVE?

Local Missions Club

Each month we partner with different organizations from within our local Louisville community so that we can understand the needs around us. Within these pages, you'll find the dates and partners we plan to connect with over the next year. We are very proud that our Local Missions Club is student run.

International Dinner Club

Did you know that right here in Louisville there are over 76 different people groups represented? We'd love for you to join us as we go out to eat at different ethnic restaurants where we will get the chance to learn about a new culture, try new foods, and intentionally have Gospel centered conversations with the owners and staff.

Mission Trip Opportunities

Throughout the year, you'll have the opportunity to sign up for one of our short-term mission trips.
