### VARSITY CROSS COUNTRY

The Girls Team wins Invitational Championship, Pinckney Wins Individual Championship at the New Washington Invitational.

In the girls competition, the plan was to run a tactical race in preparation for Sectional by running as a pack for the first two miles. Pack running has several advantages. Perceived effort is less due to running with familiar runners, and it is a confidence boost for the runners that are not normally with the front runners. The strategy paid off, as our Warriors placed very close together in 5th, 7th, 8th, 9th, 11th, 12th, and 30th places to win the meet by a margin of six points over a very strong Charlestown team that placed second.

Hailey Hack - 5th place, 21:40  
Madison Smith - 7th place, 22:14  
Madelynn Lutz - 8th place, 22:34  
Anna Nash - 9th place 22:41  
Adeline Oakley - 11th place, 23:04  
Katie Ammons - 12th place, 23:41  
Kate White - 30th place, 28:20, New Personal Record

In the boys competition, Alex Pinckney pushed the lead gator around the course so fast that they went airborne while crossing a path! Alex won the individual title easily, and the rest of the team ran competitively to close out the regular season.

Alex Pinckney - 1st place, 16:32  
Mason Taylor - 18th place, 20:01
