JUNIOR ACADEMY-8TH GRADE SCHOOL SUPPLY KITS FOR 2023-2024

We have partnered again with Educational Products, Inc. (EPI) - a national school-supply program. This is an optional service that is being offered to our campus families for the 2023-2024 school year. We have provided our class supply lists to EPI and they have created an online ordering system for our families to use. By using EPI, this will drastically reduce the amount of time that parents will need to spend to shop for their child's school supplies for the coming school year. If you order a supply kit through EPI, your child's kit will be directly shipped to the school and will be waiting for them in their classroom in time for our Back-to-School events! Here are some important details to be aware of:

1. Our school is not making any money from this sale. While schools have the option of utilizing EPI for a fundraiser, we have passed on that option and the prices that you see listed are the wholesale prices from EPI.
2. A copy of this year's supply lists are included [here](#). Any items that are highlighted on the list **are not included** in the EPI kits and therefore would still be your responsibility to secure prior to the beginning of the school year. If you choose to shop on your own for your child's supplies, you are welcome to do so by using this list.
3. The EPI kits include name-brand, high-quality supplies and the kits will be individually packaged for each student that orders them.
4. **Orders must be submitted online by May 23, to avoid rush shipping charges.** Free shipping is included for any orders that are shipped directly to our school. If you wish to have your child's kit shipped to your home instead, there is an additional shipping fee for that option.

Ordering information for EPI is included [here](#). Be sure to enter our school code (CHR145) and then select the grade level that your child will be in for the 2023-2024 school year.

FACULTY/STAFF APPRECIATION WEEK IS MAY 1-5

We set aside this week each year to show our appreciation to our faculty and staff for their service to all of our families. The PTO and Administration will be providing various treats throughout that week, but you are welcome to show your support and thanks to your teachers and staff as well! Have your child make a card or write a letter, send an email, or any other expressions of thanks would be greatly appreciated.

QUARTER 4 SERVICE PROJECT—SHOES FOR WATERSTEP

We are committed to Jesus being our Living Water. Clean water is a basic need that we take for granted every day. Waterstep is an outreach that reminds us to take the message of clean water, health education, and well repair to places all over the world so that communities can fight disease and have the basic need of clean water. Send in your shoe donations between May 4-18! We will be collecting old shoes at the main entrance and preschool entrance in order to help fund the work of Waterstep. Bringing in any shoes will do, but especially bring in gently used shoes. All shoe donations must be turned in by **Thursday, May 18**. Pray God will use us to be a blessing to the nations so that they may have clean water and the Living Water!
