**2023-2024 PIANO LESSON INFORMATION**  
Registrations are due by Monday, August 7

**ELIGIBILITY**

This program is offered to students in grades 2 through 12.

**LESSONS**

The purpose of this program is to extend students' music education and appreciation by exposing them to the world of music through piano instruction. A minimum of 32 weekly 30-minute lessons will begin the week of August 14. Students are scheduled on a first-come-first-served basis as classroom schedules permit. Students will be responsible for remembering day and time of lesson, bringing lesson books and materials, and preparing for each lesson. To be accepted into the program, **a student must have a piano or electric keyboard at home.**

**COST**

A **non-refundable registration fee of \$70 per student** will be invoiced through FACTS Tuition Management upon Business Office receipt of your student's application. This fee is used for the purchase of method books, tuning and maintenance of pianos, and year-end recital. **Lesson cost per year is \$675 (installment payments \$75 per month)**, invoiced through FACTS September-May. Payment is due the first of each month. **A late charge of \$10 will be added to your fee if payment is not received as scheduled. Students may be withheld from the program if account becomes two months behind.**

**ATTENDANCE**

Lesson dates coinciding with standardized testing, field trips, absence due to illness, and scheduled school closings will be rescheduled. In these cases, piano instructors will work with classroom teachers to schedule make-up lessons.

**WITHDRAWAL**

Opting in and out of the program is not permitted. Acceptance into this program is considered a **commitment for the school year. Early withdrawal will be subject to a fee of \$100.**

**RECITALS**

All CAI piano students are **required** to participate in a year-end recital, May 16, 2024, or May 21, 2024. Students are also encouraged to participate in chapel programs, classroom devotions, and church and community functions as opportunity arises.

**PROGRESS EVALUATION**

Progress folders, containing weekly assignment sheets and practice records, are issued at the beginning of the year and brought to each lesson. A certificate of achievement will be presented at the year-end recital for consistent and documented practice.
