

CAL Families,

Welcome back! We are beyond excited to begin our fall sports seasons and are looking forward to seeing all of you in the stands and back on the fields and courts. Below is everything you need to know (and probably more) for CAL Athletics for the 2023-2024 school year!

ATHLETIC PASSES

We will again be offering the option for students to purchase a student athletic pass this year. Students will have two weeks to purchase a pass that will get them into ALL home games for EVERY sport at EVERY level for the entire school year! **Students ages 10 and under are free and do not need to purchase a pass.**

SPORTS PHYSICALS

Tryouts for most high school sports are being held beginning on July 15, so make sure to register before then (see registration instructions below). Also, a current physical must be on file in the athletic office in order to participate and this includes tryouts. You can check with our office to see if your child has a current physical on file. Billing for fall sports will take place once all rosters/teams are set.
