VARSITY FIELD HOCKEY (continued from front page)

March 7, 2023

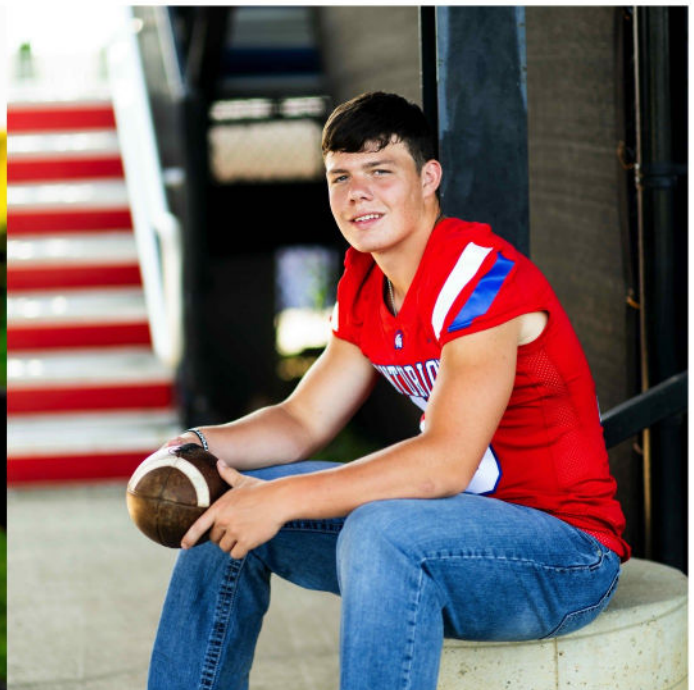

A great feather in the cap of these CAL athletes who will be playing NCAA Division 1 field hockey in the future: Mia at Wake Forest and Anne Marie at Ohio State next season, and Megan at University of Louisville the following season.

An Indoor field hockey team is comprised of a goalie and five field players and is a very fast game played on a hard surface about the size of a basketball court with side rails that can be used to carom the ball.
