## CAL/SW Summer Enrichment Activities
## Grades Kindergarten to Fourth grades

Dear Families,

Summertime often gives us an opportunity to catch up with family activities as well as some books/stories of interest. We would like to offer you a program to help encourage and motivate your child this summer.

The following pages will give your child choices of activities that may or may not need your assistance. We have reviewed the directions in our last library class. The program is optional but everyone is encouraged to participate. Rewards will be given based on completion of projects and reading.

The due date for the "Envelope of Papers" will be Aug 11, 2023. It would be helpful to pace yourself through the Summer and not wait until the due date. After all it is for the benefits....
- to encourage the pleasure of reading.
- to help students maintain reading skills throughout the summer.
- to promote family interaction.
- to foster family Bible study and individual Bible reading.
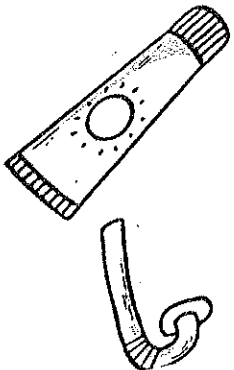

Thank you for your support and encouragement
Have a fun Summer! See you in August!

Mrs. Foster - Library Media Specialist
Mr. Fowler - School Counselor

Christian Academy of Louisville/SW
Summer Enrichment Activities

Students may choose a minimum of five (or more) projects to work on through the Summer Months.

Required reading should be completed along with the projects.

All paperwork should be placed in the student's envelope and returned to school by Aug. 11th.
