CAI ATHLETICS DISTINGUISHED WARRIORS INDUCTION

A true champion is measured in their character, and that character is often molded over time. A distinguishing mark of who they are and what they believe. We are proud to capture someone who has selflessly given of themselves for the last 4 decades. The athletic department is proud to partner with administrators, colleagues, and staff to bring you the introduction of the CAI Athletics Distinguished Warriors wall of honor. The purpose of this wall is to permanently hold those who have served our program in the highest regard. A testimony to those who have been before, presently are committed to competition and those that will come in the future. Now, to our first inductee, Mr. Larry Leonard.

Mr. Larry has selflessly served the Christian Academy of Indiana community for over 35 years in many athletic and school capacities. He has served as a bus driver, mission trip chaperone, basketball bookkeeper, clock operator, coach mentor, team cheer leader, and supporter of all CAI sports teams and students. His passion and devotion to CAI spans decades, starting from the early days of Graceland Christian School. He is a foremost champion of students who represent the Warriors in all competitions.

Mr. Larry is a proud husband, father, and grandfather and considers these roles to be the most important accomplishments in his life. His love for Jesus, and the qualities that make him such a strong servant leader, are evident in the way he cares for students, school property, and the excellence of CAI Athletics.

We appreciate you, Mr. Larry, and all that you have done and will continue to do for our kids, programs and department. You are the best of us, and we are grateful for you.

Varsity/JV Boys Basketball

The Warriors had a busy week last week, playing two games on the road (Henryville and Trinity Lutheran) and one game at home to end the week (West Washington).

JV, led by Cooper Losey's 17 points per game, lost all three games. Varsity went on to win all three games. Varsity was led by sophomore Joshua Renfro, who averaged 25 ppg over the stretch. Renfro also broke the school record for most three-point shots made in a single game (10) on Thursday night at Trinity Lutheran. Senior Caleb Roy, juniors Matt Carter, Nate Doss, and Lucas Gillespie, and sophomore David Cook all played a big part in the wins last week for Varsity as well.
