The JV was led by Cooper Losey, who finished the game with 25 points. Freshman Nathan Cavanaugh poured in 8 points for the JV also. The Varsity picked up their second win of the season Saturday night too, winning a closely contested game by a score of 55-51. Sophomores Joshua Renfro and David Cook led the way Saturday night, scoring 23 and 22 respectively. David Cook also finished with 10 rebounds, giving him a double-double on the night. Juniors Matthew Carter, Brady Cambron, and Dylan Goodman also contributed to the scoring total, as did sophomore Elijah Logsdon too. The Warriors will have a busy week this week, playing Clarksville at home on Tuesday and Rock Creek at home on Friday.

VARSITY GIRLS BASKETBALL

The Lady Warriors were in action three times last week. The first game of the week came against a talented Portland Christian team. Portland Christian's aggressive defense was too much for the Warriors to handle and resulted in a loss. The final score was 49-19. Leah Stevens-9pts.. Addison Jackson-5pts. Macy Jackson-4pts. Raegan Hodge chipped in 1 point. The next game for CAI was against Providence. The Warriors had excellent ball movement on offense but struggled to hit their shots. Providence came away with the victory with a score of 56-18. Macy Jackson led the way with 7pts. Leah Stevens-6pts. Alexis Bryant and Raegan Hodge each had 2pts, while Brooklyn Shields had 1pt. The last game of the week was against Switzerland County. CAI looked effective on both offense and defense, but Switzerland County made just a few more plays to come away with the win. The final score was 42-33. Leah Stevens led all scorers with 20 points. Alexis Bryant had 6, Macy Jackson had 3, Addison Jackson and Samantha Cox each had 2 points.

7/8 BOYS BASKETBALL- BLUE

The Middle School warriors hosted two game last week. On Tuesday they played host to South Central. The BLUE team played a strong group and early struggled to keep pace. The Warriors made some adjustments and made a run to get back in the game. Despite the strong play they could never get all the way back and lost 37-28, The warriors were led in scoring by Mac Hall with 11 and Porter Ritchie 8. The team was back in action on Saturday hosting Rock Creek. Again the warriors started slow and trailed early and again made a strong comeback using full court pressure. In the end the Warriors fell 38-34. There was a balanced scoring attack with Porter Ritchie with 9, Mac Hall with 8 and Alexavier Hubert 6.

7/8 BOYS BASKETBALL- GOLD

The GOLD team was battling some illness on Tuesday with several players coming back from being out. The fatigue played a factor as play was sloppy early for the Warriors. The second half was a back and forth as the Warriors aggressive play enabled them to get into the bonus early which proved to be a factor. The warriors were able to pull ahead with 3:00 minutes to go but South Central was able to pull back ahead by 7 with 1:20. The warriors strong defense pulled them back to within 1 with 10 seconds. Blake Arndt came up with a great inbounds steal and found Noah Vance. Vance was able to make a great skip pass to get the defense scrambling. Cooper Lewis was able to weave through a few defenders to hit a contested runner at the buzzer to give the Warriors a 43-42 win. Noah Vance led the warriors with 16 points, Cooper Lewis chipped in 13 and Grant Decker 7.

The Gold team came back Saturday with a very strong performance using a strong defense to dominate play. The Warriors got out to a 21-0 lead at the end of the 1st quarter. The team did a good job of sharing the ball and finding the open man and getting out in transition. The Warriors were led in scoring by Cooper Lewis with 22, Noah Vance with 15 and Malachi Weilbaker with 10. The Gold team hopes to continue the momentum into the break.

6TH BOYS BASKETBALL-SILVER

In the first of two games, the SILVER squad overcame a sluggish effort and defeated Portland Christian 36-22. Despite shooting their lowest percentage of the year and being beaten on the boards for the first time all season, the Warriors took care of the ball with only 10 turnovers and recorded 21 steals to secure the victory. Michael Bryant had another outstanding game with 16 points, 8 rebounds, 7 steals, and 1 assist.

Cash Crawford had a nice game with 8 points, 3 rebounds, 3 assists, and 5 steals. Luke Porter turned in his best performance of the year and finished with 8 points, 3 rebounds, and 3 steals.

The Silver Warriors came out in their second game of the day and made a statement against second place KCD. In a 53-21 victory, we outrebounded KCD 35-17 (every single player had at least 1 rebound) and only turned the ball over 8 times. Cash Crawford did a great job as the floor general and recorded 6 assists, 3 rebounds, and 16 points. 4TH BOYS BASKETBALL-SHIELDS

This past weekend the 4th grade CAI boys basketball SHIELDS had a game against CAL-White of Louisville. #40 Nathan Winchell and #25 Nobel Priester both had 13 points to lead the young warriors past CAL-White of Louisville with the final score 26-16.

For the first two quarters the game was very close we seem to come out a little slow out the gate. After a few adjustments to defense we begin to put a stop to the easy scoring and second chance shots. #30 Barrett Annis and #12 Daniel Knighton both played lock down defense in the fourth quarter. With only one day of practice last week we made great effort to practice on our free throw shooting, which won us the game due to CAL-WHITE of Louisville got into foul trouble. With one game left in the season before the tournament we are so glad to be 4-0. As coach, the credit goes to these fine young men of God for not only believing in each other but also believing in their self. With God all things are possible. Next weekend we close the season out playing against Whitefield Academy.

4TH BOYS BASKETBALL-SWORDS

In a 28-10 victory over CAL-Blue, the SWORDS utilized their most balanced scoring and team rebound effort of the season. 6 players recorded at least 2 rebounds each and Josh Hubert led the defensive effort with 4 steals and 2 blocks. Brice Holland-Lane led the Swords in scoring (12), assists (2), and rebounds (6). Chase Bibb added 6 points and 5 rebounds while Hunter Munich and Josh Hubert contributed 4 points each.

4TH GIRLS BASKETBALL-SHIELDS

The SHIELDS are improving, as passing, rebounds and scoring has increased greatly. The team persevered and challenged Whitefield Academy the entire game to a final score of 8-18. Every teammate contributed in offense, defense and rebounds. Alivia Elkin and Eisley Dodson each finished with 2 points and Londynn Layman finished with 4 points. Very proud of this team and the Christian character this team has shown!

4TH GIRLS BASKETBALL-SWORDS

Brielle McCartin had 4pts, Emma Takami and Grace Alvey each had 2 pts. Amora Rice and Phoebe Weilbaker were strong on defense. Emma Takami was fierce in her defense as well, accounting for multiple steals and rebounds. They all passed the ball well and worked together as team more than ever. Way to go, Lady Warriors!
