7/8 BASEBALL

The Gold Team opened the season with an away game against a very good LKY Homeschool team last week. Some early defensive errors resulted in giving up runs and a cold offense at the start of the game was a challenge for our Warriors to overcome, but they didn't give up! Our players scored two runs in the last inning to avoid a shutout! Starting pitcher was Daniel McDonald followed by Noah Vance, Aaden Brieschke and Grant Decker. Offense was provided by Daniel McDonald, Porter Ritchie, Blake Arndt, Aaden Brieschke and Zeke Irvin. Offensive play of the game was made by Porter as he put down a perfect safety squeeze bunt, easily allowing Daniel to score from third base! Defensive play of the game was made by Sammy Henderson who in centerfield, made a great catch of a fly ball and quickly threw to second base to catch the runner off the bag, completing an unassisted double play!

The Gold Team's second game was against Highlands Latin School and the Warriors played outstanding baseball! Their bats came alive as they scored 13 runs on eight hits. Offense was provided by Daniel McDonald, Noah Vance, Sam Maynard, Grant Decker, Caleb Wilson and Porter Ritchie. For pitching, Noah Vance started on the mound and had an outstanding game! Aaden Brieschke came in for relief and Porter Ritchie was the closer. However, the last play of the game was a defensive gem! With two outs and a Highlands Latin runner on third base, Porter, Grant, Noah and Aaden got the runner trapped in a rundown. With perfect execution on defense by our guys, Aaden is able to eventually tag the runner out ending the game! The Warriors won the game 13-3 for their first win of the season. Malachi Weillbaker, Zac Rehnberg, John Kirchner, Miles Dixon, Memphis Duncan, Blake Arndt and Sammy Henderson all contributed to the effort making this a complete team win!

5/6 SOFTBALL

The 5/6 Softball Team opened their season with a doubleheader in Salem. The Warriors went 1-1 and secured their first victory of the season! The coaching staff is super proud of the team, they've made great progress over the past few weeks.

Game 1 vs Salem 7th Grade Team (Lost 16-6)

Sophia Chavarry(Pitcher) & Canaan Elliott(Catcher) showed incredible determination as the pitching mound was at 43 feet. Typically, 5th graders will pitch from 35 feet. After several innings, the Umpire allowed Sophia to move up and pitch from a closer distance. While the Warriors lost the game 16-6, we showed a lot of toughness amid adversity.

Game 2 vs Salem 6th Grade Team (Won 15-5)

Molly Jackson took the mound in the second game and pitched a gem with Canaan Elliott back behind the plate. Molly recorded two strikeouts in the first start of her career! In the final inning with the game mostly decided, Salem asked that we ensure that four of their batters get an at bat. The first popped up to the pitch, second, third, and fourth grounded out to the pitcher. Molly Jackson was involved in all FOUR outs as Brisaesus Dietrich did a phenomenal job at first base. Four outs in one inning has to be a record!

MS GIRLS TENNIS

The Warriors defeated Scottsburg 5-0 last Thursday night in their first match of the season. Jocelyn Olson defeated Scottsburg 8-3 playing #1 singles. Kathryn Hancock got the win at #2 singles winning 8-1, and Sarah Neal won playing #3 singles 8-6.

In doubles action, Maddie Webb and Emma Doss won at #1 Doubles 8-1 and Addie Murphy and Claire Shalosky won at #2 doubles, also with a score of 8-1. In exhibition matches, Beatrice Heath and Lena Rodgers won 6-5. Chinara Chalfant and Shiloh Simmons won 6-3 and Savannah Bagshaw and Savannah Myron lost a close one 4-6.
