-LAST WEEK'S SUMMARIES-

VARSIY BASEBALL

The Warriors dropped a hard-fought contest at South Central by a final score of 17-7 on Tuesday, then rounded out the week on Thursday with an 11-9 victory over Cannelton.

VARSIY GIRLS TENNIS

L - vs. Corydon (0-5)

L - vs. Charlestown (0-5)

On Thursday, the Lady Warriors were away at Crawford County and were up 2-1 before they had to stop for rain. Their #1 singles, Mia Collins, was one game away from bringing them home with the win. Their other two winning courts were Nora Stocksdale at #3 singles and Anna Neal & Rebekah Wright at #1 doubles.

VARSIY SOFTBALL

The Warriors played Crawford County on Tuesday and came out strong. The score was tied at three going into the fourth inning. They then committed errors that led to a five run inning. This, coupled with missed opportunities at the plate, resulted in a 15-4 loss. The Warriors battled the Crothersville Tigers and the rain Thursday, but came out with a 17-7 win. The Warriors came out strong with a 6-0 start and went into the fifth inning up 16-1. The rain started to affect playing conditions thus making it hard to find the zone. They gave up six runs in the fifth, but their defense made plays down the stretch. The top of the fifth ended with three straight outs, including a strikeout from Stevens. Her mental toughness was on display as she was able to find the zone when command was difficult. In the bottom of the fifth, Marissa Sedoris scored on a passed ball to bring the run rule into effect and end the game.

VARSITY GOLF

The team had a busy week with two, nine hole matches and an eighteen hole tournament.

Their first match last week was a quad match with North Harrison, Trinity Lutheran, and Medora. Landon Stillwell shot an impressive three under and as a team they shot a 147. On Thursday, they traveled to Clarksville and competed against Charlestown, Corydon, and Clarksville. The rain held off for most of the round but soaked the last couple of groups to finish. The CAI came in second, two strokes behind Corydon 173 to 175. The highlight from that match was that Reagan Lanum chipped in on hole 10. On Saturday, they had their first eighteen hole tournament of the season. There were 14 teams and CAI placed eighth with a 372. Landon Stillwell placed third overall with a 76, four over. Keagan Toole made his first birdie of the season on the front nine, and found his second birdie with a 40 foot putt on the back nine. Great to see some improvement on his scoring! Both matches this week will be a good test for the team.

VARSITY TRACK & FIELD

The team competed at CAL this last Tuesday. Many runners set personal records as they continue to get faster and stronger in their events. Athletes of note, that set personal records were Katie Ammons in the 400, Mason Taylor in the 400, Gavin Taylor in the 1600 and 800, Adeline Oakley in the 1600 and the 800, Riley Harper in the 800, Nathan Barnette in the shot put, and Izzy Beatty in the shot put. The team as a whole is beginning the final phase of there season as they begin to sharpen our speed and strength for the Sectional Championship Meet in three weeks.

MS BASEBALL

The Gold and Blue teams, combined, played four games last week with a fifth game rained out. Highlights from the Gold Team game against Highlands Latin include a strong offensive effort led by Sam Maynard, Zeke Irvin (2 hits), Matthew Schultz and Memphis Duncan (SAC bunt). In all they delivered seven runs which bested Highlands Latin overall. However, the defensive play of the game was made by our Warrior Center Fielder Zac Rehnberg. With no outs, a Highlands hitter hit a deep fly ball to center field. Tracking the ball all the way, Zac makes a great catch and then throws a perfect strike to second base, catching the runner off the bag for an unassisted double play! However, the Highlands runner on third base was also off the bag and scrambled to get back before the throw, but the coach accidentally touched the runner which was an automatic out completing a Triple Play!!!

The final score was CAI 7 - HLS 5.

The final game of the week was against Portland Christian School and from the beginning our Warrior pitching struggled. Portland scored a huge 10 run lead in the bottom of the first inning and our Warriors had an uphill battle to get back in the game. However, not giving up, their bats came alive as Porter Ritchie and Noah Vance hit back to back triples getting the offense started and scoring. Then with their rally caps on in the second inning and Blake Arndt on first, Memphis Duncan hit a single getting the RBI as the team slowly started to claw their way back into the game. In the third inning, the floodgates opened as Noah Vance, Blake Arndt, Caleb Wilson and Daniel McDonald all hit with runners in scoring position tying the game at 10 runs each. Warrior reliever Sam Maynard came in and retired the first three batters he faced with two strikeouts and fielding a ground ball for the third out. Unfortunately, in the bottom of the fourth inning, Portland scored a single run winning the game with a final score 11-10. Great come from behind rally and our guys never gave up!!!
