The skies display His craftsmanship.
Day after day they continue to speak;
Night after night they make Him known.” Psalm 19:1-2*

Artistic expression provides unique and creative ways to share God-given gifts and talents to impact others. Through Christian Academy’s growing and award-winning School of the Arts, students have numerous opportunities to develop their gifts.

Art students at the English Station campus of Christian Academy School System were awarded 44 Scholastic Arts Awards on Feb. 11, 2016 at the Louisville Metropolitan Region Student Art Awards Ceremony.

“This is the largest art competition in the world with more than 300,000 students competing. It is such an honor for our students to have their work selected for 23 Honorable Mentions, 11 Silver Keys and 10 Gold Keys, 1 National Gold Medal, 1 National Silver Medal and 1 National American Visionary Award.”, art teacher Tammy Cusick said. “Our students are gifted artists and work throughout their high school art career to assemble a quality portfolio including these pieces.”

Each year, the art program focuses on building the strength of each individual student recognizing each class is unique. Cusick focuses their attention on learning and improving their strengths.

For 12 years, Cusick was the middle school art teacher and is currently in her seventh year at the high school level. She said the art program continues to grow and anticipates even more students next year. We now offer 10 different art classes from ceramics to graphic design. We offer AP Studio Drawing, AP 2-D Design and AP 3-D Design.

“In our upper levels we discuss art and learn to critique art well. Students give and take honest criticism and feedback, helping each other improve their art,” Cusick said.
