Dear Parent(s)/Guardian(s) of 11<sup>th</sup> Graders,

All students entering 11<sup>th</sup> grade in the 2024 – 2025 school year are required to have a Meningococcal (MCV) booster shot. This is required by the state once a student turns 16.

**UPDATED IMMUNIZATION CERTIFICATES INCLUDING THE MENINGOCOCCAL BOOSTER SHOT ARE DUE JULY 23.**

If your student turns 16 after July 23, I have noted this on your student's file. The updated immunization certificate will come due 30 days after your student turns 16.

If your insurance will not allow a well visit prior to July 23, please email me and include proof from your doctor's office of the future scheduled appointment date.

Please email all updated immunization certificates to [msoete@caschools.us](mailto:msoete@caschools.us).

If you have any questions, please email me at [msoete@caschools.us](mailto:msoete@caschools.us). Thank you in advance for your attention to this important matter.

In His Service,

**Michele Soete, R.N., B.S.N**
