TUITION/FEE POLICY

Tuition and other fees are necessary in order for Christian Academy to fulfill its mission of developing students with a heart for God. In support of this, parents are expected to commit themselves to meet financial obligations promptly in accordance with Biblical stewardship and comply with the following policy:

The Continuous Enrollment Fee is non-refundable unless for any reason Christian Academy does not readmit the student. If parents withdraw their student's enrollment for any reason, the fee is non-refundable.

(**FACTS refers to this as “Downpayment”**)

The school has contracted with FACTS Tuition Management Company for the processing of all tuition payments. The following payment options are available through FACTS:

- Annual Payment due June 16, 2025.
- Monthly Payments (June through May). A \$50 annual processing fee per agreement is required for using this service and will be automatically drafted from your account by FACTS within 14 days of the agreement being posted to the FACTS system.

Because the hiring of teachers and staff and the ordering of textbooks and other classroom materials are based upon enrollment, withdrawals are subject to the following obligation:

- Withdrawals after June 1 - one-month's tuition is due
- Withdrawals after July 1 - two-month's tuition is due
- Withdrawals after August 1 - three-month's tuition is due
- Withdrawals after the start of school - full year's tuition is due

Parents are expected to pay tuition and fees in a timely manner, according to the current Schedule of Tuition and Fees. **Student records will not be released and no credit for a student's work can be earned unless all financial obligations are met.** Tuition that becomes **two months past due** will subject the student to being withheld from attending school until such amounts due to Christian Academy School System are made current.

TUITION ASSISTANCE

Tuition assistance awards are based on the family's demonstrated need as determined by a third-party agency (FACTS) that makes financial needs assessments for private and Christian schools. Each award is made for one year only, based on the availability of tuition assistance funds. FACTS charges a \$40 fee to submit the tuition assistance application.

ADDITIONAL FEES

High School/Middle School Athletic Fee

Athletic participation fees for the 2024-2025 school year are **\$275** for high school for each sport in which the student participates with an annual per student maximum of **\$500** and **\$225** for middle school for each sport in which the student participates with an annual per student maximum of **\$400**. Intramural sport fees vary. There are additional uniform and team fees that vary from sport to sport.

The cost of daily lunch for the 2024-2025 school year was **\$3.75** for elementary and **\$4.25** for middle and high school students. A la carte food items for middle and high school students vary in cost. However, increases in the wholesale cost of food and supplies to our kitchen periodically necessitate a corresponding increase in the price of the lunch. Parents are encouraged to deposit money into their student's debit account in the cafeteria to expedite the speed of the serving line.

Miscellaneous Expenses

During the course of the school year other expenses are incurred for various services or activities such as Advanced Placement classes, school picture packages, class functions, intramural sports, music programs and plays. **Most of these expenses are optional.** The school makes every effort to keep these expenses to a minimum.

International Students

Additional fees apply.
Contact lbaechtel@caschools.us for information.

Missed Payment Fee

Missed payment fees are assessed by FACTS if payment is not received as scheduled.

Returned Check Fee

Christian Academy will charge a **\$25** returned check fee for all returned checks.

Please Note: For students participating in high school sports, the Indiana High School Athletic Association (IHSAA) requires that tuition expenses not covered by allowable merit aid or need-based financial aid must be paid by immediate family/legal guardians. Please refer to IHSAA Rules for definition and guidelines.
