TUITION/FEE POLICY

Tuition and other fees are necessary in order for Christian Academy to fulfill its mission of developing students with a heart for God. In support of this, parents are expected to commit themselves to meet financial obligations promptly in accordance with Biblical stewardship and comply with the following policy:

The **Continuous Enrollment Fee is non-refundable** unless for any reason Christian Academy does not readmit the student. If parents withdraw their student's enrollment for any reason, the fee is non-refundable.*

The school has contracted with FACTS Tuition Management Company for the processing of all tuition payments. The following payment options are available through FACTS:

- Annual Payment due June 15, 2026.
- Monthly Payments (June through May). FACTS charges a $55 annual fee per family for this payment plan. They will automatically draft this fee within 14 days of the agreement being finalized.

Because the hiring of teachers and staff and the ordering of textbooks and other classroom materials are based upon enrollment, withdrawals are subject to the following obligation:

- Withdrawals after June 1 - one-month's tuition is due
- Withdrawals after July 1 - two-months' tuition is due
- Withdrawals after August 1 - three-months' tuition is due
- Withdrawals after the start of school - full year's tuition is due

Parents are expected to pay tuition and fees in a timely manner, according to the current Schedule of Tuition and Fees. **Student records will not be released and no credit for a student's work can be earned unless all financial obligations are met.** Tuition that becomes ***two months past due*** will subject the student to being withheld from attending school until such amounts due to Christian Academy School System are made current.

TUITION ASSISTANCE

Tuition assistance awards are based on the family's demonstrated need as determined by a third-party agency that makes financial needs assessments for private and Christian schools. Families must submit a tuition assistance application through FACTS each year to be considered for tuition assistance. Awards are given for one year only, based on the availability of tuition assistance funds.

*FACTS refers to this as "Downpayment"
