SCHOOL SYSTEM

The mission of Christian Academy is to develop students with a heart for God who grow as Jesus did in wisdom, stature and in favor with God and men.

FROM THE SUPERINTENDENT

Christian Academy Community,

We are approaching the last part of the 2023-2024 school year and it has been quite a year. We've had many new experiences, built new relationships, accomplished many things and found new ways to honor God. But just like in life, we've also had our fair share of challenges, losses and trials. As Paul says in Romans 12:12, "Be joyful in hope, patient in affliction, faithful in prayer."

As a school system, we were saddened to announce the consolidation of our Southwest Campus. The School Board carefully considered this decision, knowing its impact on our Southwest students, families, faculty/staff and the community at large. We want to take a moment to celebrate the positive influence that the Southwest Campus has had in its 24 years of existence. The caring and nurturing atmosphere provided by the staff has been a hallmark of the campus and the hundreds of students who have been shown the love of Jesus will undoubtedly have an eternal impact.

One of the key initiatives of our strategic plan is to ensure our viability as a school system. This includes remembering and honoring those who came before us. We cannot talk about the blessings that the Lord has bestowed upon our school system without also acknowledging the stories of our Rock Creek and Southwest Campuses. These stories and, more importantly, the people are part of who we are as a school system and an integral part of our mission.

Mr. Darin Long, Ed.S.
Superintendent

BUILDING BRIDGES

By Pursuing Biblical Unity

The pursuit of an environment that is welcoming, kind, empathetic and respectful to everyone, and all of it being rooted in Christlike love, boils down to two words: Biblical Unity.

Christian Academy School System's Biblical Unity Vision/Mission Statement abides by the principle that Biblical Unity is the pursuit of God-honoring oneness with Christ, oneness amongst all of our employees, all of our students and in all of our homes for God's glory, for all of our good and for the sake of our surrounding communities.

Think of it in layman's terms: Biblical Unity is bridge building. Bridges represent an opportunity to explore what lies on the other side and invite us to travel into new areas. Bridges represent a solid connection to places that might have been previously unknown to us because those places were once inaccessible. Bridges are designed for accessibility and connectivity, and that's exactly what we are doing at Christian Academy.

Our "Chief Unity Architect," Mr. Deon Parker, joined us in May 2023 as Director of Biblical Unity, 'bridging the gap' between our campuses. Michigan native Mr. Parker is a graduate of Piedmont Baptist College (now Carolina University in Winston-Salem, NC) and has spent nearly two decades in vocational Christian ministry with an impressive array of Christian leadership roles that span from Senior Pastor to Christian School Chaplain. An engaging and innovative leader, Mr. Parker took the reins of the Biblical Unity program at Christian Academy and hit the ground running by instituting an agenda all about the philosophy, importance and reasoning of Christian unity across all disciplines for our coming-of-age younger generation.

(continued on next page)

Highlights of his tenure to date include:

“We Unify” Middle School Lunchtime Meetings

Each week, middle schoolers are challenged to reflect on the things that divide people in their school and society while encouraging them to come up with ways to bridge these divides. During these meetings, they acknowledge divisions that exist and they optimistically consider ways that they can help heal these divisions. Take a look at Mr. Parker’s philosophy at <https://caschools.us/biblical-unity/>.

“Tables of Brotherhood” Lunches

During his August 28, 1963 speech, Dr. Martin Luther King, Jr. - the inspiration for our lunches - said, “I have a dream, that one day, the sons of former slaves, and the sons of former slave owners will be able to sit down together at the table of brotherhood.” These lunches were attended by high schoolers from Christian Academy’s English Station and Indiana Campuses as well as employees from our school system. We had a very on-point discussion of MLK’s ’63 speech as we celebrated progress amongst people in America over the past 60+ years, and discussed how we can become a place where true impartial fellowship is the norm for all of our students and employees, schoolwide and systemwide. Check our latest Tables of Brotherhood lunch video at <https://vimeo.com/899309432>.

Biblical Unity Field Trips

“I am so encouraged that our journey towards Biblical Unity didn’t start with us,” states Mr. Parker. “Our Savior, Jesus Christ, took the first steps towards Biblical Unity during the very first century. Our field trips to Berea, Kentucky educate students about the history behind the courageous and Christ-like steps that Rev. John G. Fee took. Fee was a renowned abolitionist, minister, educator and the founder of the town of Berea, Kentucky. The Church of Christ, Union in Berea (1853) and Berea College (1855), the first coeducational and interracial college in the U.S. South, was established in the 19th Century.”

Looking Ahead...

What's coming in 2024-2025 for Biblical Unity?

Stay tuned and follow us at

<https://caschools.us/biblical-unity/>

FOR GOD'S GLORY

Unity is God's idea. He wants to experience it with all of us. Likewise, He wants it to be experienced between all of us. The pathway to Biblical Unity is striving to love both God and people well. When unity is being pursued biblically, with God and humanity, God is glorified because His will is being done. God has the knowledge, wisdom, will and ability to accomplish this through and among us. If we join Him in this quest, we will get to experience relationships with Him and others that bring Him glory and eternally benefit humanity.

THROUGHOUT OUR SCHOOL SYSTEM

Wouldn't it be great if all of our school system's employees were biblically unified at work? How could that impact our students? Like a math teacher working through an equation in front of their students, our students can learn how to unify by watching their teachers and principals carrying it out among each other and by pursuing it with them.

WITHIN THE HOMES

If all of our students were biblically unified at school, word of this great news would undoubtedly travel home. How could a biblically unified student body impact the households each of them live in? It could inspire the pursuit of Biblical Unity within all of their families.

THROUGHOUT SOCIETY

When an entire school system and thousands of homes are mutually moving in this positive direction, society would not only take notice of it, it could be positively changed by it. Surrounding cities and beyond could increasingly join the pursuit of Biblical Unity. The God-authored pursuit of Biblical Unity can have a global impact. The entire world can become meaningfully and eternally connected when God's ministry of Biblical Unity is unceasingly carried out.

HONORING A LEGACY

TESTIMONIALS

"As a first-year teacher here, the campus closing has been hard for me personally, but through the entire process, God has been faithful and kind. One of the best memories of this year, aside from the incredible people I have met and known, has been the chapel services every single week. Hearing our students singing about God continuing to be our firm foundation has been an incredible testimony to my heart. I will never forget this place or these times of worship by the kids who are learning firsthand of the God who never changes and will continue to remain their stronghold." - *Linnea Ransom*

"Southwest is my second family. I have been blessed to be here for 19 years. In that time, I have connected with so many families. I have been able to be a part of celebrations, birthdays, baptisms, and pulling teeth. The families that have crossed my path have enriched my life and made me the teacher that I am today. Saints forever!" - *Susan Parker*

"Southwest has helped me grow as an educator, mom, wife, and follower of Christ. This community welcomed me and my growing family with open arms in an embrace that I dread letting go of. The love Southwest has for one another has been displayed to me in both hard times and some of the most joyous. Our community truly epitomizes our chapel verse for the year Matthew 22:37-39." - *Jenelle Cummings*

Jesus replied: "Love the Lord your God with all your heart and with all your soul and with all your mind. This is the first and greatest commandment. And the second is like it: 'Love your neighbor as yourself.'" - Matthew 22:37-39

A SPECIAL PLACE

A Tribute to our Southwest Campus

“T his is a special place.” Ask any one of us at Southwest and we will tell you that we’ve lost count of how many times we’ve heard someone make this statement about our beloved campus. We know how special it is but we always love when someone else recognizes it too. It’s incredibly difficult to sum up 24 years of Christian education, love, community and ministry in southwest Jefferson County but it boils down to one word – family.

It is a family that started in August 2000 with 28 students in kindergarten through second grade who met in the education wing of Shively Christian Church. One of the first things that you see when you enter our building is the wall quilt made with 32 squares containing the names and handprints of each of those first Southwest Saints and their teachers. God used them as the foundation for who we were to become as the Southwest Family. They prayer-walked the property as the campus was built and celebrated when it officially opened in August 2006. They were parents who poured their commitment, talents and service into our school. They were students whose signatures and handwritten Bible verses you would find on the floors and walls as the school building was under construction. Three years ago, we were blessed to have one of those first students, Olivia Higdon Brierly, return as one of our kindergarten teachers.

Just like the original 28 students, this final generation of Southwest Saints has memories and stories that we will carry for the rest of our lives. It is a group of students and staff who strive daily to know, love and serve God in every classroom. It contains students who started at two years old in Junior Academy and stayed until high school. It is a family where every teacher knows you whether you are in their class or not. It is a place where every student knows that if they have a wiggly tooth Mrs. Parker will pull it. It is a morning carpool greeting from Mr. Hatchett who knows every younger sibling strapped in a car seat and every family dog along for the ride. It means walking into the Media Center and knowing that Mrs. Fabulous Foster has just the book you are hoping to read. It is earning your class nicknames in third and fourth grade from Mr. Edelen and Mr. Burns. It is the reward of Hershey’s Kisses and “Jolly Hanchers” from Mrs. Hancher’s candy jar. It is students who have developed lifelong passions in music and drama under the guidance of Mrs. Stivers.

TESTIMONIALS

"On my first day on the job, I stopped at the bottom of the stairs and I cried. I could not help it. It was an overwhelming joy that I had never experienced before in a job. This place will always be more than just a building. This place is HOME." - *Nathan Curry*

"I can't even begin to say what being at Southwest has meant to me. While I don't know exactly why God chose to bring me to Southwest for its final year, I can say it's been one of the greatest blessings of my life. I have enjoyed being here more than anywhere I have ever taught, and have come to a camaraderie with my fellow teachers that I didn't know was possible." - *Stephanie Lay*

It is a place where preschoolers watch the deer and turkeys from their classroom windows. It is knowing that if something is broken Mr. Mattingly will be able to fix it, no matter what it is. It is a staff that navigated school in a global pandemic while grieving the unexpected loss of one of our own. It is the blessing of being able to worship together every week in chapel services. For these, and countless other reasons, it has been a gift from God.

On May 24, we want to be able to say that this was the best year we've ever had - a year where God was honored, trusted, believed and sought after each day. When each child has been hugged for the last time and all that remains are the grownups, we will come together to place a time capsule. This will serve as a final remembrance of those both past and present who were blessed to be the Southwest Family. By God's sovereignty and grace, we know that our family will never be contained to just that beautiful campus on Saint Andrews Church Road. We will each carry part of it with us for the rest of our lives. It is our prayer, that many years from now, whoever comes across this time capsule will be able to see from its contents how the Gospel of Christ was proclaimed for 24 years in every classroom, and when they are finished, they too will be able to say, "this is a special place."

THEATRE ARTS

CHRISTIAN ACADEMY PERFORMS FOR AN AUDIENCE OF ONE

The Theatre Arts Programs at Christian Academy of Indiana and Christian Academy of Louisville are places where students can explore their artistic talents while deepening their faith. These programs recognize that artistic gifts are special and meant to be shared to make a positive impact.

Through drama, students not only hone their skills but also learn important lessons about life, morality and spirituality.

The Theatre Art Programs encourage students to use their talents for more than just entertainment—they're also about personal growth and making a difference. This commitment to nurturing creativity and faith is being taken to new heights. By providing a space where students can share their gifts and inspire others, these programs are shaping future artists and leaders who understand the power of artistic expression and its ability to touch hearts and minds.

Sharing The Hope Of God

We had an amazing time reconnecting with alumna Ange Monin Tamura of our first graduating class of 1982. Ange shared about her time at CAL and her non-profit, Jacob's Ladder Outreach, which serves the homeless.

"My favorite memory from being a Centurion is undoubtedly the inspiration, love and support I received from two of my teachers. If you polled the class of 1982, I bet they loved them as well. Mrs. Briley was our creative writing and drama teacher. At the end of our senior year, she wrote each senior a personal card and assigned each of us a hat as to how she saw us. She assigned me a nurse's hat. To this day, I get emotional when I recall how much I needed her and how she loved me as I was. Mr. Green, my history teacher and basketball coach, guided me through my awkwardness and showed me love and kindness.

My Christian education was very normal for me. We focused on reading, writing, arithmetic, social studies, typing and other skills to become an asset to our community. There were no ideologies that morphed facts or diluted history. The lessons we learned, the sports we played and events we participated in were grounded in love for Christ. At 17, I found myself couch surfing and living in my car. I never considered myself homeless because I wasn't living in a tent or sleeping on the street. My sister and brother-in-law took me in for a bit until I joined the Army. God pushed me in the right direction. I learned to be a responsible adult and I have an amazing life because of the Army. I met my husband, Jesse, at my last duty station. He and I celebrated our 35th wedding anniversary in February. I am blessed that I am still crazy in love with him and he is the strength of our family.

I have been doing homeless outreach for 11 years now. In 2020, my friend Mylantha and I decided to start our own non-profit in hopes to expand on our weekly serve of food and supplies. We knew there was more that could be done to help the homeless rather than just helping them get through the week until our next serve. My husband was helping us find a solution to do more for our homeless community. He found a tiny home community called Eden Village for the chronically disabled individuals who have been homeless for at least a year or sporadically over the course of three years.

We knew Eden Village was a concept that would work in Louisville. It is relatively low cost, permanent housing with affordable rent along with services to help those we serve. If there is one thing I could educate friends about the homeless community it would be try and see past the tattered exterior of the individuals flying a sign on a corner or looking through the trash cans for food or something to salvage. Some, like me, became homeless by no fault of their own. There are young folks that are homeless because they aged out of foster care and have no place to go. There are elderly folks who had a spouse enter a nursing home and the government claimed their possessions because they are on Medicare or Medicaid.

I have walked up to a tent where a friend we served was frozen to death and sat with friends in the hospital. One of my favorite friends I met during our weekly serves was a gentle giant in his youth. He was a church going believer when he broke his ankle and was prescribed painkillers. He became addicted and estranged from his family for some time. I was able to reconnect him with his family before he passed away. He didn't die alone and knew he was loved.

In the 11 years of serving the homeless, I've only met one person who doesn't believe in God. He said there couldn't be a God because of all the horrors he witnessed while serving in Afghanistan. I try to share with him whenever I can without being forceful. I believe sometimes the most powerful words are spoken in a whisper. It humbles me when I see those we serve ask God to bless their food. Matthew 25: 35-40 is what I try to live by. 'For I was hungry and you gave me something eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me. Then the righteous will answer him, "Lord, when did we see you hungry and feed you or thirsty and give you something to drink? When did we see you a stranger and invite you in or needing clothes and clothe you? When did we see you sick or in prison and go to visit you?" "The King will reply, Truly I tell you, whatever you did for one of the least of the brothers and sisters you have done it for me."

***We'd like to thank Ange for sharing her story and for serving our community in such a beautiful way.*

Backpacks from Beth: *AN ALUMNI STORY* Laura Setters - Class of 2001

Spreading Hope Through Acts of Love

In 2015, Northeast Christian Church issued a challenge to its community: to spread compassion creatively. Inspired by personal loss and triumph, Backpacks from Beth emerged as a response. Started by an individual grappling with the loss of her mother to cancer and her brother's battle with addiction, the initiative aims to honor her loved ones while supporting others in need.

Since its inception, Backpacks from Beth has grown into a registered non-profit organization delivering thousands of backpacks filled with essentials and messages of encouragement to addiction recovery facilities. Beyond tangible donations, the initiative embodies a message of hope and resilience, echoing the belief that as long as one draws breath there remains hope.

In a world often overshadowed by adversity, Backpacks from Beth serves as a beacon of light, reminding us of the enduring power of compassion and kindness. As we witness its impact, let us be inspired to seek out our own opportunities to make a difference knowing that even the smallest acts of love have the potential to illuminate the darkest of times.

HOMECOMING 2023

CAL hosted its annual Alumni Homecoming Dinner in October, drawing over 150 attendees from various graduating years. The event provided an opportunity for old friends to reconnect after years apart, fostering a sense of camaraderie and nostalgia among attendees. Many cherished the chance to catch up with acquaintances they hadn't seen in a long time, making the evening a memorable one for all involved.

Alex and
Bailey Tran

05-27-2023

From their days at Christian Academy of Louisville to their college years at the University of Alabama, Alex Tran and Bailey Wharton's love story is one for the ages. After a beautiful proposal at the Dutchman Family Winery, they said their vows at Camp Lucy Resort in Dripping Springs, Texas surrounded by cherished friends and family on May 27, 2023.

Their bridal party included dear friends from their school days, showcasing the lasting bonds they've built over the years. Bailey's heartfelt words captured the essence of the day, saying, "Marrying my high school sweetheart surrounded by our loved ones was truly special."

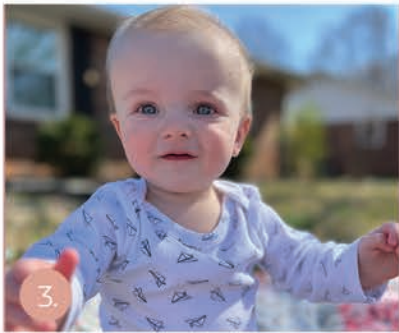

After their wedding, Alex passed the bar exam and the couple embarked on a dream honeymoon in Europe before settling in Dallas, Texas. Alex joined a law firm while Bailey took on a role at Allergan Aesthetics. Despite their new home, they make sure to visit Louisville often, keeping close ties with family and friends from their alma mater, Christian Academy.

As they begin this exciting chapter together, Alex and Bailey show us that love, rooted in Christ, friendship and shared memories is the greatest adventure of all.

Alumni Babies

We are excited to announce our Alumni babies from 2023 through 2024. We celebrate with their parents and family as we welcome them into our Christian Academy family. We will feature births from 2024 and 2025 in our 2025 spring issue. Please send any announcements to kdeary@caschools.us.

A PODCAST FOR K-12 CHRISTIAN EDUCATORS AND PARENTS

Educating for Eternity podcast seeks to partner with parents as they educate their children with a biblical worldview in our ever-changing culture. Listen as three veteran Christian educators host discussions on how to navigate the formative years while balancing the family, church and school relationship.

These are just a few of the topics we will explore:

- *Academics*
- *Extracurriculars*
- *Social-Emotional Well-Being*
- *Spiritual Formation*
- *Hot-Button Issues*

Join us as we seek to partner together for the Gospel through Christian education.

Journeying Through the Realm of Elementary Education - Part One.

Getting Students to Want What They Need.

Faithful Fusion: Exploring Denominational Variances in a Christian School

Nurturing Positive Parent-Teacher Relationships in a School

Intentionality In Spiritual Development

We encourage you to view our Educating for Eternity webpage to view some of the relevant topics as the weeks progress.
