A MESSAGE FROM THE DEAN OF STUDENTS

Welcome back, CAL-SW families! Our first week of school was a resounding success! We are so blessed to work at a school with families who honor God.

I just want to share a brief word in regards to my new position as the Dean of Students at CAL-SW and share an overview of a few of my new responsibilities. As the Dean, I will continue my role as a counselor focused on spiritual development, emotional development, academic development, and career/readiness of our students. I will continue to meet the needs of our students by providing the following services: individual counseling, group counseling, classroom counseling lessons, and attending various professional development opportunities throughout the year. Additionally, I will take on a larger portion of administrative duties in support of our staff and students.

As the Dean, I will facilitate disciplinary action for students as needed and in accordance with the Family and Faculty handbook. I will also work closely with the Admissions Department to help coordinate school admissions and assist Mrs. Allison in the interviewing of prospective families. I will also attend regular teacher, lead teacher, and support personnel meetings and assist in teacher and staff evaluations.

I am honored to be entrusted with this new position as Dean of Students and look forward to carrying out my responsibilities in a Christ-centered, Scripture-based approach.

Mr. Kevin Fowler
