SCHOOL NEWS & UPDATES

We've had an amazing summer full of camps, mission trips, new student events and so much more! As we close out this season, we are excited for what the next school year has in store!

Early this summer our Director of Biblical Unity, Deon Parker led a group of employees on a first-ever Journey to Biblical Unity field trip to Lexington & Louisville. Participants visited historic sites related to past times when racial division reigned in America. At these thought-provoking sites, they were exposed to individuals from past generations who served as positive unifiers, in spite of their challenging societal circumstances. The various sites visited, stories recounted, Scriptures recited, and reflective conversations led to a realization that God has done many wonderful and powerful things to make space for Christians to serve as Christlike unifiers in our present day.

During the 2025-2026 school year, Christian Academy High School students will have an opportunity to participate in a Biblical unity field trip to Cincinnati, Ohio or to Nicholasville/Wilmore, Kentucky. Christian Academy 8th graders will have an opportunity to participate in a field trip to Berea, Kentucky. Our hope is that this generation of students will become the greatest pursuers and promoters of Biblical unity in human history.

This summer, we dedicated time to prepare for our new students, ensuring they start their journey as successful Warriors! We hosted a playground playdate for our Junior Academy and Elementary families. For our Middle School and High School new students, we organized an evening at The Depot for a night of fellowship and yard games!

SCHOOL NEWS & UPDATES

Our Poland mission team served with Proem Ministries' summer camps, helping share the love of Christ with children across Eastern Europe. It was a wonderful week of growth for the campers and our students alike!

Our Honduras mission team had the opportunity to serve in many ways- helping with construction projects, teaching in local schools, playing and connecting with the children and sharing the hope of the Gospel with the community. It was a week full of hard work, joyful moments and God's love in action!

A group of students served on a mission trip to Lynch, Kentucky this summer. They partnered with Meridzo Ministries to serve the people of the Appalachian region of Eastern Kentucky with a goal to simply "Help People and Share Jesus."

A MESSAGE FROM THE ALUMNI COUNCIL CHAIRPERSON

Hello Warrior Nation!

On behalf of Christian Academy of Indiana, we would like to introduce you to our new Alumni Council, and myself, Nathan Paris, as your Alumni Council Chairperson. I graduated from Christian Academy in 2018, after which I moved to Bloomington, Indiana, where I studied for five years at Indiana University's Kelley School of Business to receive my Bachelors of Science in Finance and Information Systems, as well as my Masters of Science in Information Systems, concentrating in Cybersecurity. While at IU, I participated in the IU Marching Hundred Marching Band for two years, followed by three years as a member of the IU Cheerleading Team.

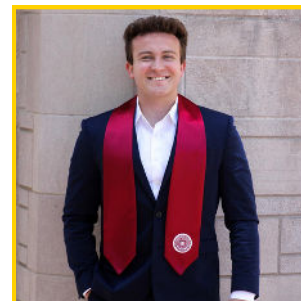

Following my studies, I moved further north to Indianapolis, where I worked for a financial & accounting firm as a Cybersecurity Risk Consultant, working closing with business professionals to secure their accounts and businesses. Last year, however, I made the decision to move back home to Southern Indiana and join my father, Richard Paris' practice as a Financial Advisor with Raymond James Financial.

When I moved home, I reconnected with the Christian Academy School System and have been accepted by the school with open arms, just like I was as a student. The reason I'm writing to all of you now is for that same reason - to reconnect and share in our life experiences with each other, just like we did years ago here at CAI. This newsletter, which will be sent to you all monthly, will include all of the amazing and exciting things going on in our school family and community. It will include Alumni spotlights, school-activity spotlights, opportunities to be involved at different levels, and so much more.

We want to hear from you, and we want to connect with you. It is so important for us for you to be a part of the growing Alumni community. However you want to be involved, whether it's through events talked about in the newsletter, following our social media platforms, or joining our Alumni council or sub-committees. Whether you were a part of this school a year ago, or even before CAI was "CAI", back in the Graceland Christian School days. All of us have the same mission and passion: to be a light in this world and share the testimony of Jesus Christ.

Finally we want to say thank you. Thank you to all of you for being a part of this family, for being a part of something bigger than ourselves. We want each and every one who will read this to know that all of us here at the Alumni Council, and Christian Academy, want to support you. We want to be of service to you however we can and would love a chance, whether it's a first chance or a second chance, to be there for you and your families to share in faith and community and ultimately spread the love of God in our community. Myself and the rest of the council look forward to connecting with you and supporting you in the future, thank you and Go Warriors!

God Bless,
Nathan Paris, 2018, Alumni Council Chair

MIDDLE SCHOOL EXPANSION

Construction is well underway for a new Middle School expansion that is scheduled to be open January 2026! The new expansion will connect to the cafeteria near the Elementary playground and will house 5th through 8th grade students. We praise God for the growth of the school!
