HUMBLING TO GET TO COACH

The family culture that was at Graceland, and that is still at CAI, is so special that it is hard to put into words. I was able to gain friends for life while attending GCS. Being a part of the basketball, baseball and soccer programs are some of the greatest memories that I have in my life. Graceland Christian School provided an excellent education and helped me develop a strong Christian worldview.

Many years ago, God put a burden on the heart of individuals at Graceland Church to start a Christian school in Southern Indiana. It is awesome to see how that vision is still being fulfilled. The Lord's plan for Christian education in Southern Indiana was truly beyond what anyone could ever think or imagine. It's so important in the world that we live in to see students continue to develop a heart for the Lord and continue also to develop their Christian worldview. At CAI, this is reinforced with biblically integrated curriculum, excellent Bible classes, powerful Chapel services and opportunities for worldwide mission trips.

I had the privilege of teaching for five years in the Christian Academy School System. I can truly say that the faculty care deeply about the students and desire to see them become more like Jesus. I believe that Christian Academy of Indiana is one of the best schools in the entire state. The Christian education that you receive along with a caring staff, beautiful facilities and excellent programs make it a wonderful choice for any family.

I just love being a part of Christian Academy. The past 11 years coaching at CAI has been a blessing. My desire is to see young people grow in their faith. It is humbling to get to coach the game that I love and to play a part in the spiritual growth of these athletes.
