CELEBRATING 50 YEARS

**50 years. Thousands of stories. One mission.
God is still writing this story.**

This year marks an incredible milestone as we celebrate the 50th anniversary of our school system! Christian Academy opened its doors in September 1976, beginning with 120 students in two rented church facilities, serving students in grades 1 through 6. Today, we serve almost 3,200 students across our Indiana and Louisville campuses.

Throughout the year, we'll honor five decades of God's faithfulness and perfect timing with special events, celebrations, and opportunities for our school family to come together in gratitude for all He has done!

Join us as we celebrate the past and look forward to an exciting future!

FROM THE HALLS

SCHOOL NEWS & UPDATES

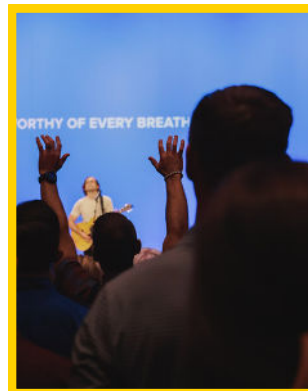

The first few weeks of school have been full of joy and excitement! We are excited to see how our students grow academically and spiritually this year!

We had a wonderful night at The Event! This favorite student tradition brings our classes together for an evening of competition and community. Congratulations to our seniors, who took home this year's winning title!

Before the new school year began, our staff and faculty took time to dedicate the year to Christ at our Communion Service. It is a powerful reminder that we are united by one mission: to develop students with a heart for God who grow as Jesus did in wisdom, stature and in favor with God and men.

FEATURED STORY

My grandfather, James E. Farmer, was Christian Academy's first superintendent. In 1976, he helped start the school in a church basement with the belief that faith and academics are not rivals. He laid the foundation for the school system and secured the first accreditation on our Rock Creek Campus.

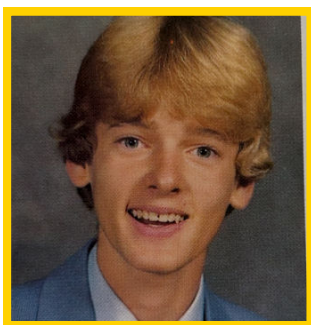

My journey began as a member of Christian Academy's first graduating class, the Class of 1982. Decades later, I returned as the principal of the Southwest Campus for two years. During my tenure, we focused on preparing the campus for growth by expanding learning areas, strengthening athletic programs and improving the grounds.

I am currently working on an Advanced Program curriculum in Hong Kong and an International Baccalaureate project in Taipei that begins this fall. The legacy that began with my grandfather continues today in my son, Kade Schooling, a former Southwest student, who recently earned a Fulbright scholarship to Taipei Medical University.

My favorite memories as the principal of the Southwest Campus include seeing students grow spiritually, whether praying for the first time during Chapel or showing sportsmanship on the court, and achieving the Southern Association Accreditation, just as my grandfather did at the Rock Creek Campus. During my two years, I focused on "rising up and building" (Nehemiah 2:18). We expanded the library and athletic programs, and strengthened the school body by hiring dedicated, believing teachers.

The physical changes of the school system have been significant. We grew from the small Rock Creek Campus with limited facilities to expanded media centers and athletic fields. But the mission remains the same. Based on Luke 2:52, the focus on wisdom, stature, and favor with God and man continues through generational blessings.

CLASS OF 2016 REUNION

The Class of 2016 reconnected at its 10-year reunion! Alumni enjoyed sharing memories and catching up on where life has taken everyone. It was wonderful to see how God continues to work in their lives.

Once a Warrior, always a Warrior!

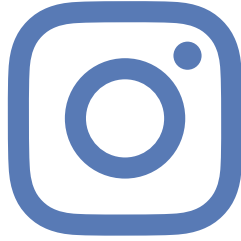

ALUMNI SOCCER GAME

Our Alumni Soccer Game this past July was a great time of friendly competition, fellowship and reconnecting with former teammates and friends! It was wonderful to see so many alumni back on the field! We're grateful to everyone who joined us for this fun tradition!
