Your Feedback

Dear Grandparents,

At our last Grandparents Club meeting, many of you answered three simple questions about the future of CAI. We read every response carefully.

What stood out was not buildings or programs, but this:

You want us to continue developing a relationship with God for every child.

You want students to become the best they can be while serving Him.

You want to protect the staff who faithfully love and lead our children to follow Christ.

That clarity is a gift.

As we grow, your words remind us that expansion must never outpace mission. The heart of CAI must remain unchanged. I can't think of a single institution in my family's life that has impacted us more than Christian Academy.

To strengthen that foundation, we are prayerfully aiming to add 50 families committed to giving \$50 per month. This steady support allows us to invest in teachers and sustain the Christ-centered mission you care so deeply about.

If you feel led to partner with us in this effort, we would be grateful.

Blessings,

All School Happenings...

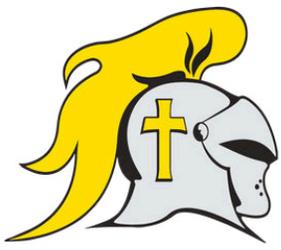

Thank YOU!

A heartfelt thank you to Deon Parker and our amazing "Grand-Bakers" for blessing our staff with "Grand Desserts." It was a wonderful time of fellowship and appreciation as we thanked God for the community He has built at Christian Academy. We are so grateful for the ways our grandparents serve our employees and work for His glory!

Unity Week

Our Elementary and Junior Academy classrooms kicked off Unity Week by sending each other sweet greeting videos between "sibling" classes! These messages were filled with words of encouragement, Bible verses, prayers, and songs. A big thank you to all our CAI teachers and office managers for leading this wonderful initiative and fostering such a beautiful spirit of community among our students.

Symphony of Color Contest

We are so proud to celebrate several of our Christian Academy of Indiana elementary students whose artwork was selected to represent our school in this year's Symphony in Color contest! Congratulations to Leo Birke, Amilya Mattingly, Tyler Shannonhouse, and Asia Sloan for their wonderful contributions. We also want to give a special shout-out to our finalists, Claire Cunningham, Bristol Luttrull, and Ari Porter, with both Bristol and Ari also earning Gold Ribbon honors.

Donuts With Grown Ups

Earlier this month, our cafeteria was filled with smiles and sweet treats during our Donuts with Grown Ups event. It was a wonderful opportunity for our elementary students to welcome their favorite adults to campus for a morning of intentional connection and fellowship. We truly cherish these moments that bridge the gap between home and school, and we are so grateful to the "grown-ups" who joined us in the cafeteria to make this such a special morning for our students!

Middle/High School Happenings...

District Solo & Ensemble Competition

We are thrilled to celebrate the incredible success of our Christian Academy of Indiana Choir and Piano students at the recent ISSMA District Solo & Ensemble Competition. In a remarkable display of talent and dedication, 100% of our participating students earned a Gold rating in their respective categories!

We are especially proud of the students who received a **Gold rating** in Group I, qualifying them to advance to the State competition.

Congratulations to Daphne Beatty, Sophia Chavarry, Emma Clifton, Abby Beatty, Jude Allen, Larry Anderson, Elijah Pavlica, Lydia Stewart, Makaylah Cromack, and our Chamber Singers ensemble. We serve a creative God, and it is a blessing to see these students honor Him through their musical excellence.

Middle School Fig The Goat!

"I want a goat!", "I want a farm!" were the popular requests after Mrs. Gwinn's goat, Fig, visited our 6th graders for a unique science lesson. Students had a blast practicing their qualitative and quantitative observation skills with their four-legged guest. It was hands-on learning at its best though we apologize to any parents who were asked for a pet farm animal this past weekend!
