Our 5th graders had a great time at Blackacre Nature Preserve!

Our 6th graders have been diving into understanding God's perfect design in our solar system. They are currently creating diagrams and projects to help explain it to their peers.

Operation Christmas Child

- Middle School students will have the opportunity to fill Operation Christmas Child boxes to serve kids around the world.
- Boxes are by the time capsule, many have already picked them up.
- These will be due back to school by **November 18**.
