INSIDE THE WARRIOR HUDDLE 2026

MS Girls Soccer

"Girls fought hard the first half and the RC Jags slipped a goal in late. The second half was well fought and a few breakdowns gave way to 2 more goals. We had several scoring opportunities from our attackers that just didn't make it into the net.

Mackenzie played extremely hard the entire game. Emma and Morgan as always are anchors on the field. Our fifth graders Cora and Caroline gave some great minutes this game." - Coach Meisinger

INSIDE THE WARRIOR HUDDLE 2026

HS Girls Volleyball

"We served the ball really well tonight, and I thought we had contributions from throughout the lineup. It was a good team win. I was really proud of how our girls responded when things got a little uncomfortable. We regrouped, closed out the second set on a 9-2 run, and finished the night strong. Emma really got us rolling with that 12-point service run in the first set. She was aggressive from the service line and made a big impact for us all night." – Coach Millen
