

Christian Academy of Indiana

Intramural Cheer

2nd - 5th Grade

Christian Academy of Indiana is excited to continue our intramural cheer program. This winter we will offer an intramural cheer league for our 2nd-5th grade students. This program allows our youngest Warriors an opportunity to cheer with classmates as they work on learning the fundamentals of the sport. There are many benefits for students who are involved in sports at a young age. It provides exercise, great social interaction, develops teamwork and personal accomplishment. Our goal is to always be Christ-honoring, while learning the sport and competing.

This is a female league open to 2nd-5th grade CAI students.

We will gauge interest after sign ups to determine divisions. In general, we would look to have the following divisions:

- 2nd/3rd Grade Girls
- 4th/5th Grade Girls

Cheer Parent Volunteer Coaches - We cannot have a league without you!

Do you love cheer?

Do you have great organizational skills?

Do you love helping kids build character and skill?

Do you love to mentor students to have a closer relationship with the Lord?

*If you answered yes to all of the above questions then you could help coach cheer! When registering your child for intramurals...please check if you are interested in being an assistant or head coach. **We rely solely on parent volunteers to coach these teams.** Without you being involved, this will not happen!*
