Featured Story

Hear from Ginger (Halliburton) Torrens, a 1991 alumnae, who is a current parent at CAL, owns her own home bakery and recently donated gourmet cookies to our 2026 Gala!

Our Gala was a memorable evening full of fellowship, gourmet bites and moving testimonials! Hear more about our Alumni Service Award winner and the many ways God is moving in our school system!

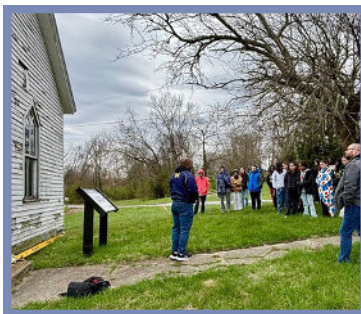

FROM THE HALLS
 SCHOOL NEWS & UPDATES

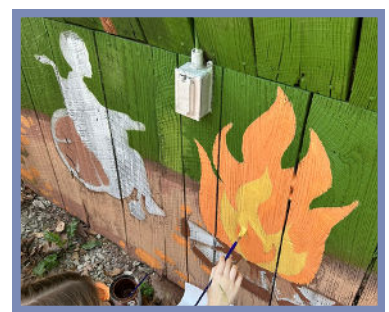

We celebrated World Down Syndrome Day as a school on March 20! We continued one of our favorite traditions with a special celebratory Chapel, and students and staff showed their support by wearing WDSO t-shirts and their silliest socks!

High schoolers from both CAI and CAL united on our first-ever field trip to Nicholasville & Wilmore, Kentucky with our Biblical Unity Director, Deon Parker! They visited historic sites at Asbury University and the Civil War Camp Nelson National Monument. So grateful for the fun and unifying memories made on this inaugural field trip!

Since October our AP Art Class has been working on a mural at Barren Heights, a nonprofit retreat center for children with disabilities. We are excited to share the finished piece!

HELLO DOLLY

We had a wonderful time reconnecting at our alumni dinner and enjoyed a lovely performance of *Hello Dolly* from our DramatiCALS. It was a joy to gather together, share memories, and celebrate the talents of our students!

A FRIEND IS A FRIEND FOREVER

I attended CAL from 5th grade to 12th grade. My class was one of the smallest classes in CAL history and I cherish the lifelong friends that I made. Some of my favorite memories include winning Homecoming queen and helping with photography for the yearbook. I was the class president and involved in many extra curricular activities with the school. The teachers were amazing and, in fact, I invited two of them to my wedding.

As I mentioned earlier, my class was one of the smallest. So one of the most standout differences today is the size of the school. We didn't even have a football team when I attended and several of the other sports that are offered today. I attended the Rock Creek campus so our lockers were outdoors which wasn't fun when the courtyard flooded or our lockers were frozen shut. My children have a lot more class options to study and more events to participate in.

I currently run a small bakery from my home, Sweet Treats by Ginger, which is my full-time job. I enjoy watching my son play soccer year-round, spending time with my two dogs and being with my family and friends.

I believe CAL was an intricate part of continuing my faith as a Christian. It is very important to be influenced in a Christian manner in all areas of life if possible. We definitely don't get much of that in the "real" world so it's important to have great Christian influences at church and at school. My class song was "A Friend is a Friend Forever" (if the Lord is the Lord of them). That has proven to be true for my life and I'm so thankful.

-Ginger (Halliburton) Torrens, Class of 1991

2026 GALA: A GOURMET EXPERIENCE

Our 2026 Gala was a night to remember! We enjoyed gourmet bites from local restaurants, participated in an animated live auction, heard a powerful story from current CAI sophomore Larry Anderson and celebrated the many ways God is moving among our school system!

We were especially honored to recognize Max Godby (pictured top right), Class of 2010, as the recipient of our first ever Alumni Service Award! Now a Director of Corporate Sourcing with The Royal Group, Max was able to share his testimony and recount the moment he came to understand the fullness of the Gospel in a Chapel service during Spiritual Emphasis Week.

We are so grateful to everyone who contributed by donating an item, bidding in the auction, attending the event, making a donation or simply continuously keeping Christian Academy's staff, students and families in your prayers!
