SCHOOL NEWS & UPDATES

Students in Mr. Jeff Imlay's class were recently blessed by Stephanie Inman Guzda, a 2002 alumna who now lives in Poland as a missionary and works with PROEM Ministries. Each year our students have the opportunity to serve on a mission trip with PROEM led by Mr. Imlay. We loved hearing more about the work Stephanie is doing!

At their high school retreat, our students had the wonderful opportunity to hear from Dr. Paul Akin, another 2002 alumna! Dr. Akin serves as the Provost and Senior Vice President for Academic Administration of The Southern Baptist Theological Seminary. Our students were blessed by his wisdom!

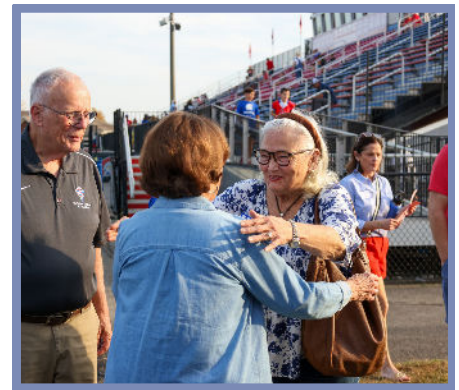

A group of alumni parents played in our 2nd annual Chuck and Duck elementary dodgeball tournament! It was a great night of laughter and fellowship!

2025 HOMECOMING

Over 300 alumni returned to campus to celebrate Homecoming, making it one of our most memorable gatherings yet! From reconnecting with classmates to cheering on our team, the night was filled with laughter, school spirit, and shared memories.

GIVING BACK TO THE SCHOOL THAT GAVE ME SO MUCH

Following graduation from Bellarmine University in May of this year, two 2021 alumnae have returned to coach high school volleyball this fall season. Hear from Annaliese Billings and Hayley Barger about why they came back to CAL as coaches and what the school means to them!

Annaliese Billings

As a 2021 alumna of CAL, coming back means the world to me. I get to coach young girls and help them grow in maturity, wisdom and thoughtfulness. Hayley and I met our sophomore year on the same exact volleyball court we are coaching these girls on. She transferred from Whitefield Academy and we've been best friends since that day. As I've been a spiritual leader to my younger sister, mom, and best friend, I will also be a spiritual leader to the young athletes that I serve while coaching. The only thing we can bring to Heaven is the other people that we disciple and lead towards the Lord. As an older brother or sister in Christ, we have a duty and an obligation to bring them to Jesus. If we have the Truth and Good News of the Lord, we are called to spread that Truth to those we come in contact with to advance His Kingdom.

Not only are we surrounded by intelligent and forward-thinking athletes, but the staff members work behind the scenes and pour into each other and every student, making CAL the exceptional place it is. I wouldn't want to work in any other kind of environment; the team behind the head coaches is unmatched, and you can tell each staff member truly wants what's best for the girls, individually and for the team as a whole. Being able to coach alongside my best friend is what makes this opportunity so special. Additionally, every staff member for the CAL volleyball program has graduated or at least attended CAL at some point, so it truly does make a difference in this space where we teach the girls. I can attest to the program's tremendous growth because of Head Coach Sherry Ashley's determination, tenacity, and commitment to seeing each young athlete grow from elementary school to our varsity team. Hayley and I both have had the opportunity to coach alongside Sherry during several seasons and I've assisted in coaching others in two club teams since graduating from CAL. She and every person on this coaching staff take hours upon hours out of their week to see the program and these girls succeed, which ultimately carries over into all aspects of their lives.

We have such talented girls on every team, competing all the way from middle school to our high school varsity team. I never would have thought I'd end up helping coach young girls at CAL. I am so excited to give back to the school that gave me so much!

GIVING BACK TO THE SCHOOL THAT GAVE ME SO MUCH

Hayley Barger

After graduating from CAL in 2021, I did not think I would return. Sure, I attended Homecoming, but anything else that had to do with CAL, I was not interested. Sherry Ashley, the varsity head coach for the volleyball team, reached out to Annaliese and me about helping with team tryouts. Her invitation kick-started my interest in the school again.

It has been fun keeping up with athletics and the girls that I knew at the school when I was a student myself. I fell in love with the school and sport all over again, and that helped me see how much the Lord has moved through the school. In the last year, my walk with the Lord has grown so much, and now I am all in with CAL's community.

Being part of the CAL community, I see the dedication of the faculty, coaches, and students. Everyone wants to grow in their relationship with God and grow with their friends and family. I value spending time with the coaches and players because I know that they are going to help me grow in some way, too. We are so excited for this volleyball season!
