All School Happenings...

World Down Syndrome Day

This year's WSD was especially important. It is a "capstone" year in which we took time to celebrate the journey of Providence and our first graduating class. We shared a video that captured the first years of Providence through the first graduates. It was sweet to see the current seniors from the Rock Creek campus in the pictures as they grew up alongside Kate and Addison.

Junior Academy Happenings...

Muffins with Mom

CAL Junior Academy's Muffins with Mom was a sweet morning filled with smiles, laughter, and special moments together. Students loved sharing muffins and time with their moms, creating memories that made the day truly special.

Junior Academy Happenings...

Donuts with Dads

CAL Junior Academy's Donuts with Dads was a fun-filled morning of laughter, connection, and quality time together. Students enjoyed sharing donuts and special moments with their dads, making it a memorable start to their day.

Junior Academy & Elementary Happenings...Kindergarten Visits

JA students who are Kindergarten-eligible enjoyed a special visit to the Kindergarten classrooms, giving them a glimpse into the exciting year ahead. It was a fun and reassuring experience that helped build confidence and anticipation for the transition to Kindergarten.

Elementary Happenings... Daddy Daughter Dance

CAL Elementary Daddy Daughter Dance is a night full of sparkle, smiles, and nonstop fun! Dads and daughters hit the dance floor, enjoy sweet treats, and make unforgettable memories together. From twirling to favorite songs to sharing lots of laughs, it's a magical evening that celebrates this special bond in the most joyful way.

Middle School Happenings...

Ms. Overstreet's 7th Grade math class is currently working on finding the circumference and area of circles. They took advantage of the beautiful weather to measure the Blue Circle grass area, determining its area and circumference. They had to use a tape measure to determine the diameter of the circle (the full distance across). Once they found the diameter, they were able to calculate the radius, the circumference, and area.

They loved using a real circle that was outside to practice their calculations :)

High School Happenings... CAL FCA in the Community

WOW! Spring is in full swing with FCA and our leaders are stepping up to the plate in eternally impactful ways!

JJ Washington shared his testimony at MidAmerica Sports Complex last Sunday for FCA Chapel which is offered to all the club sports teams at their frequent weekend tournaments!

The FCA High School leaders do a super job of leading the middle school small groups following the speaker at CALMS FCA each month!

CAL LAX girls led the High School FCA TimeOut last Tuesday in the Media Center for over 100 of their peers!

High School Happenings...

Buff Puff Volleyball Event

CAL High School's Buff Puff brought energy and excitement as teams from each grade level faced off in friendly competition. The gym was filled with school spirit as students battled their way through each round, leading to an intense final matchup. It was a fun, high-energy event!
