Tickets \$10
cal.booktix.com

All Juniors & Sophomores will take the PSAT at CAL Tuesday, Oct. 21 in the morning through 2nd block. It will be a regular school day for 3rd and 4th blocks.

From Mr. Behnken...

Come for a visit!

CAL High School parents, we want to cordially invite you to join us on Thursday evening, September 11, for Parent Night. The event begins in the auditorium at 6:30. We will share some information about this school year and also give you the chance to meet your students' teachers.

This is a great opportunity to meet and hear from each teacher your student sits under. It is a vital aspect of our partnership with your family. I'm confident that you will have more clarity about what occurs in classes each day and be encouraged by seeing how strong our teaching staff at CAL is.

We expect to have some music and treats for your enjoyment, also as part of our hospitality. We hope to see you then!

COUNSELORS CONNECTING

We hope that the start of the school year has been a good one for your student. It has been a whirlwind for us of adjusting schedules, hosting the freshmen in our offices and meeting with the seniors and their parents about their next steps after high school. In addition we have enrolled students in AP, Dual Credit, Co-op and Internship classes. In October, we will administer personality inventories to juniors and engage them in role play activities. They will explore their unique, God given gifts and the careers that match their personalities.

As school counselors, we are grateful for the opportunity to partner with you and your student on their academic, career and social/emotional development. Check out our [HS Counselors' Page](#) for lots of variety of topics you may find helpful. We are looking forward to a great school year of seeing your student grow in wisdom, stature and in favor with God and man.
