From Mr. Behnken...

Easter & Spring Break

As this school week marches toward Good Friday and Easter, we want to wish you all a Happy Easter. We hope that you are able to understand in an ever-deeper fashion the depths of the Father's love for us - the utter torture Jesus submitted himself to, in obedience to the Father, to pay the penalty for our sin. In doing so, I pray that you will grow deeper in love and appreciation of our Savior.

Our team also wishes you all a happy and healthy spring break. We hope you enjoy times with family and make great memories!

To God be all glory.

Talbott Behnken

COUNSELORS CONNECTING

Our High School Counseling team is passionate about helping students find their God given calling. We believe that He has uniquely crafted and shaped each one of them to serve Him in various platforms. You don't have to be in the ministry, service to God is accomplished in all areas of work. One way that we guide them to find their calling is through Career Day, which we host every other year. Our past Career Days have been huge successes and we are excited for this year's event on Friday, April 24. We will have over 40 careers represented by Christian professionals in our community. Students will be able to choose and sign-up to hear four different professionals talk about their careers. In addition, students will need to complete a 2-hour shadowing experience. This is an opportunity for them to explore a career that might interest them
