## From Mr. Behnken...

The winter storm has come....and is not leaving for a bit. We hope you weren't buried too deeply in the snow. While remote learning days are not ideal, I hope that your student has gotten some mental exercise during these days alongside some good old-fashioned physical exercise of shoveling snow--hopefully paired with some family fun and laughs. With two 10th graders (my oldest two) and a 7th grader--I'm seeing in real-time how fast the time goes. We are trying to savor some of these things that would otherwise be mundane as I know in a very short blink of time all my kids will be out of the house and living their "adult" lives.

I hope your family is able to do some of that too. It's never too late to start. It's a remote learning Tuesday as I write this note and after our school work is done, my hope is some good board game battles mixed with a little more shoveling outside :) Hope you and your family can find the joy in the broken up schedule this week. Stay warm!

To God be all glory.  
Talbot Behnken

## COUNSELORS CONNECTING

We would like to take a moment to introduce you to a new member of our counseling team. We will miss Mrs. Brown, and appreciate her many years of service, and wish her well in her new endeavor! We are also grateful for the new member of our team, Mrs. Jordan Heishman, and would like to introduce her below.

Hi CAL! My name is Jordan Heishman, and I am excited and honored to join Christian Academy of Louisville as a new guidance counselor. I feel blessed to have the opportunity to walk alongside students during such an important season of their lives, offering encouragement, support, and care each day. I will be working with students whose last names fall between P-Z, as well as all Providence students. My goal is to support students academically and emotionally while also helping them grow in their faith. I hope to provide a space where students feel comfortable, supported, and heard. I hold a Master's degree in Mental Health Counseling and have spent the past four years working primarily with teenagers. I am passionate about helping adolescents navigate challenges, build confidence, and grow into who God has created them to be. I'm looking forward to getting to know students and becoming part of the CAL community. Please feel free to stop by, say hello, or reach out. I'm excited to be here!

## FAMILY CALENDAR

You can always access the High school calendar online [HERE](#).
