2nd block exam

• 10:00 - 11:30

From Mr. Behnken...

"He makes all things new..." Happy New Year, CAL High School families! As you and your kids enter the new year and kickoff 2026 and our 2nd semester, know we are praying for you all to enjoy more communion with the Lord than ever before.

Kicking off the new semester is an opportunity to commit with fresh enthusiasm to giving our best efforts in all that we do. Colossians 3:17 says "work heartily, as for the Lord and not for men." Join us in encouraging your student to steward their gifts and talents well and to work heartily as unto the Lord. There is great satisfaction and peace that comes from giving our best. A sweet result is being able to live without regret.

Happy New Year! We look forward to working together with you during 2026 and beyond.

To God be all glory.

Talbott Behnken

COUNSELORS CONNECTING

We would like to take a moment to introduce you to a new member of our counseling team. We will miss Mrs. Brown, and appreciate her many years of service, and wish her well in her new endeavor! We are also grateful for the new member of our team, Mrs. Jordan Heishman, and would like to introduce her below.

Hi CAL! My name is Jordan Heishman, and I am excited and honored to join Christian Academy of Louisville as a new guidance counselor. I feel blessed to have the opportunity to walk alongside students during such an important season of their lives, offering encouragement, support, and care each day. I will be working with students whose last names fall between P-Z, as well as all Providence students. My goal is to support students academically and emotionally while also helping them grow in their faith. I hope to provide a space where students feel comfortable, supported, and heard. I hold a Master's degree in Mental Health Counseling and have spent the past four years working primarily with teenagers. I am passionate about helping adolescents navigate challenges, build confidence, and grow into who God has created them to be. I'm looking forward to getting to know students and becoming part of the CAL community. Please feel free to stop by, say hello, or reach out. I'm excited to be here!
