

Welcome to Christian Academy of Louisville!

Below are the most frequently asked questions and answers from our first-year parents. We hope this helps you get started. You can always click on your campus to get more specific information and contacts to help you through this year.

1. IMPORTANT ONLINE PORTALS:

Be sure you are signed up on each and keep them updated if your information changes

- **FACTS Family Portal** This information system allows:
 - The school to send communications to parents
 - Parents access to a non-pictorial directory
 - Parents to be alerted regarding school day delays or cancellations
 - Parents ability to fill out forms online
 - New families, [click here](#) for account access instructions
 - [Click here](#) to log on to FACTS Family Portal. Our district code is CA-US.
- **FACTS Tuition**
 - Used to process payments (tuition, athletics and other charges)
 - Used to apply for financial aid
 - **To access, click on the link you receive in an email when payment is due**
 - Use your FACTS Tuition username and password (which is different than the username and password used for FACTS Family Portal)
- **Canvas**

We also use a program called Canvas in grades 6 - 12. This is a tool for your child, to help him/her manage assignments and classroom content. Teachers will post information, power points, resources, etc. on Canvas, and students will be able to turn in their assignments through this program. All high school/middle school students are automatically enrolled in each of their courses in Canvas, and their teachers give them the login information they need. As a parent, you are able to access your child's Canvas account as an observer. For information and directions on how to do this, please click [here](#).
- **MyPaymentsPlus**

This online service is a free service to help parents track their student's purchases and to keep track of how much money is in their student's account. **To sign up, visit www.mypaymentsplus.com** and have your child's Student ID available, which your child will receive once the school year begins. You may also click [here](#) for instructions. There is no cost for this service unless you choose to deposit funds online. The email notification of low funds and the purchase history are all free. This is the only way to keep track of your student's cafeteria account. If parents have any questions about MyPaymentsPlus, they are encouraged to contact the cafeteria manager.

2. Financial Assistance and Information

- For questions regarding tuition, please contact Kristy Flether by emailing kfletcher@caschools.us or calling (502) 410-5382.

8. Parent Involvement

Where can you participate?

- PTO- Our PTO sponsors student and family activities, from hospitality to Race for Education, which help promote school community and occasionally raise funds to support educational needs. Click [here](#) to find out more. Also, be sure to join the CAL English Station PTO Facebook group by clicking [here](#). You will always be in the know about what is happening, along with accessible links to much needed information and ways to get involved. For more information, contact the PTO at ptoes@caschools.us
- Parent Ambassador- Help welcome new families to Christian Academy! We work to contact and connect new families with everything Christian Academy has to offer. Contact Kate Griffiths kgriffiths@caschools.us for more information.
- Opportunities to volunteer - Class field trips, read-aloud mystery reader, missions, morning greeter, cafeteria, media center, clubs, music, band and sports teams always need parent help to be successful. As the semester progresses, opportunities to volunteer will be announced. Watch your email and school newsletter for information.
- Alumni and Grandparent Clubs- these are both incredible opportunities to get involved. Contact Danielle Gleitz at dgleitz@caschools.us for more information.

9. Teacher Interaction

- Parents are encouraged to open discussion and request a meeting with teachers and principals regarding concerns and suggestions. Following the Matthew 18 principle, we urge parents to go to teachers first with questions or concerns before bringing in principals or sharing it with friends.
- Our campus counselor and academic support may contact you if we identify struggles your child is having. You may, also, contact them with any concerns or questions about your child. To connect with our counselors, please contact the school's office.

10. For additional assistance, please contact Kate Griffiths at (502) 7546708 or kgriffiths@caschools.us
