

Varsity girls lacrosse splits first two games of 2024

The varsity girls lacrosse season has begun under the guidance of new head coach, Aimee Turner.

The Centurions started their season with a strong challenge against defending state champions Sacred Heart at home on March 1. CAL battled the Valkyries on a cold, rainy night but fell 17-2.

The team rebounded this past Friday

with a dominant 19-5 win over Ather-ton, 19-5.

Junior Saibrin DeLessio, led the team with a career-high eight goals and helped CAL control the draw most of the game.

Rachel Wedding (three goals), Bella Osborne (two), Ella Hodge (two), Megan Mauzy (two), Channing Hill (one) and Maddie Von Allsburg (one) also

got in the scoring column.

Junior Christina Schroering helped seal the victory with four saves in goal.

This week, the Centurions continue play with a home game against South Oldham on Tuesday at 6 p.m. before traveling to Ballard on Thursday at 6 p.m.

Former basketball standout concludes stint at Cornell

Former CAL girls basketball standout recently rounded out a successful four-year stint playing at Cornell University.

The 2020 graduate was a 1,500-point scorer, two-time 2A state champion and two-time All-Seventh Region team selection in high school while maintaining a 4.0 GPA throughout high school before going on to play three successful seasons with the Big Red after a COVID-canceled freshman year.

Beam appeared in 74 games for the Ivy League squad, racking up 22 of her 23 career starts this season. She averaged 2.9 points per

game this season, with a season high of 13 points at Western Kentucky in November.

Following graduation from Cornell, Beam will move back to Louis-

ville to begin a masters program at Bellarmine while playing one more season of college basketball for the Knights.
