8th boys basketball reaches state final four

After a grueling weekend of basketball, the eighth grade boys basketball team has secured a spot in the State Final Four.

The remarkable performance culminated in five wins, including a couple of dominant victories as well as two narrow one point wins, which propelled them to this prestigious stage.

The boys are fully committed and eager to return to the court and showcase their skills in the state finals this weekend.

Varsity boys basketball splits two games

The varsity boys basketball team split a pair of games last week to move to 17-6 in the latter stages of the regular season.

On Tuesday, the Centurions suffered their first district loss of the season 77-66 at Ballard.

The game was competitive early, with the teams deadlocked at 16-all at the end of the first quarter.

Ballard connected on a buzzer beating 3 to take a 36-30 lead into halftime, its larg-

est advantage of the night at the time.

CAL held serve in the third quarter and trailed 50-44 going into the final period.

The Centurions got within a bucket multiple times in the fourth quarter, but Ballard held off a comeback attempt to put itself in the driver's seat for the top seed in this month's 28th District tournament.

Four Centurions finished with at least 11 points, led by Boogie Cook with 18.

On Friday, CAL bounced back to rout Collins 75-45 on the road.

JJ Washington had an outstanding day, scoring 25 points on 11-of-15 shooting to lead the Centurions. Roland Swan and Myles Howard added 12 and 11 points, respectively.

This week, CAL travels to Oldham County on Monday and St. Xavier on Tuesday before hosting Eastern on Friday.

HS bowling concludes 2025-26 season

Following the conclusion of the HS bowling team's season in the region tournament, coach Imlay wrote the following message.

"My hope each season, whenever I coach, is that our team represents Jesus Christ well, both in our words and in our actions. We may not be the most talented team, and honestly, we aren't. But when others see us and interact with us, do they notice something different? Do we show kindness? Do we compete hard while still encouraging one another? Can we cheer for our teammates and also celebrate the success of our opponents? In these categories we had a great year.

Statistically, our top bowler this season was Landon Peterson, who averaged 188 for the year. He broke the 200 mark seven times in competition. Jacob Elliott was a strong leader, bringing

enthusiasm and a competitive spirit, while consistently offering kind words to both teammates and opponents.

Marshall Parrish brought laughter and a light-hearted spirit to the team, along with powerful bowling performances. Braxton Davis was steady all season and always seemed to deliver a strike at just the right moment.

Many players showed improvement throughout the season, but the most significant senior improvement came from David Haire. By the end of the season, he was consistently bowling 175 or better in each match. Our top returning player, Ethan Hall, showed increased confidence that translated into stronger scores. His role on the team became more solid with each match, and he has a bright future ahead.

I am truly thankful for every member of this team. Each of them played a

part in making this season one I genuinely enjoyed.

John Wooden, widely accepted as one of the great coaches of all time, once said 'Success is peace of mind, which is a direct result of self-satisfaction in knowing you made the effort to become the best you are capable of becoming.' This team embodied that message.

I'd like to leave the team with the following verse. "Whatever you do, work at it with all your heart, as working for the Lord, not for human masters, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving." Colossians 3:23-24
